COUNTY BOARD OF ELECTION—MEMBERS—ELECTION EXPENSES—PAID FROM COUNTY TREASURY, SAME MANNER AS OTHER EXPENSES—NOT CHARGEABLE TO BOARD OF ELECTION.

SYLLABUS:

Expenses incurred in the election of members of a county board of education are not chargeable to the county board of education, but are to be paid from the county treasury in the same manner as other county expenses are paid.

COLUMBUS, OHIO, January 9, 1939.

HON. KARL T. STOFFER, *Prosecuting Attorney, Lisbon, Ohio.*

DEAR SIR: This will acknowledge receipt of your recent communication, which reads as follows:

“The Clerk of the Board of Elections, in making his apportionment of the costs of the election of the fall of 1937, assessed as its proportion, against the Columbiana County Board of Education, the sum of \$15.54. They have refused to pay the same, giving as their reason for not paying it that they no longer receive county funds, but receive all their money from the State.

It is the contention of the Board of Elections that, since the Board of Education for Columbiana County is on the ballot and, therefore, is a separate political entity or subdivision, it should stand its proportionate share of the cost of the ballot in subsequent elections.
