

2022.

PETITION, CONSTITUTIONAL AMENDMENT—CERTIFICATION NOT MADE OF SUMMARY.

Columbus, Ohio, March 15, 1940.

Mr. Herbert S. Bigelow,  
211 Odd Fellows Temple, Cincinnati, Ohio.

Dear Sir:

You have submitted for my examination by written petition bearing over one hundred names, a constitutional amendment to be proposed by initiative petition, together with a purported summary of the same under authority of section 4785-175 of the General Code. Copies of said proposed amendment and summary are hereto attached.

Upon examination of the text of said proposed constitutional amendment and the purported summary thereof, I am of the opinion that said purported summary is not in fact a summary as required by the above section, and, further, that said purported summary is not a fair and truthful statement of the proposed constitutional amendment, and for such reasons I am unable to make the certification as requested by you.

Respectfully,

THOMAS J. HERBERT,  
Attorney General.
