

It appears that the taxes for the year 1925 have been fully paid, and the taxes for the year 1926 are a lien, but the amount is as yet undetermined.

The executor's deed, together with a quit-claim deed signed by all the heirs and beneficiaries under the will of said Francis A. White, have been submitted and appear to be properly executed and sufficient to convey the premises under consideration to the State of Ohio when properly delivered.

There has also been submitted an encumbrance estimate regularly signed by the Director of Finance. It will also be necessary to submit with the abstract and deeds the approval of the Controlling Board as required by section 12 of the Appropriation Act of the 86th General Assembly.

The abstract, deeds and other data submitted by you are herewith enclosed.

Respectfully,

C. C. CRABBE,
Attorney General.
