

Ohio Attorney General's Office Bureau of Criminal Investigation Investigative Report

2022-0498 Officer Involved Critical Incident - 34 E. Fulton Ave., Columbus 43215 (L)

Involves:	Britani W. Glass (O)
Date of Activity:	03/07/2022
Activity Location:	Franklin County Sheriff's Office – Business – 373 South High Street, Floor 2B, Columbus, OH 43215, Franklin County
Author:	SA James H Gore, #168

## Narrative:

On the morning of March 7, 2022, at approximately 1135 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) James Gore conducted an interview of Britani Glass at the Franklin County Sheriff's Office (FCSO) Detective Bureau. The purpose of the interview was to ascertain if Ms. Glass had any relevant information regarding an Officer-Involved Critical Incident which took place earlier that same morning. Ms. Glass identified herself as the sister of Sheena Doumbouya, who was present during the incident.

Ms. Glass explained that she was notified of the incident by her mother, Joyce Glass. Ms. Glass stated that her mother called her and also sent her a text message, reporting that Sheena was robbed and struck in her face with a gun. Ms. Glass permitted SA Gore to view the text message sent from her mother, which is depicted below:

Message from Joyce Glass to Britani Glass, re: Sheena Doumbouya

Britani Glass relayed that Sheena told their mother that she was downtown because she was taking her boyfriend to the courthouse. Glass said she did not know the boyfriend's name, and added that she only met the boyfriend on the previous day.

As it pertained to the "SMOOT" (Smooth) subject in Joyce Glass' text message, Britani Glass concluded that he was not Sheena's boyfriend. Britani stated that she did not know that person either, and she was uncertain as to whether or not her mother knew his real name.

Britani Glass was not a witness to the Officer-Involved Critical Incident, and she had no further information regarding the matter.

An audio copy of Britani Glass' interview was attached to this report.
