HON. GEORGE F. SCHLESINGER, *Director, Department of Highways and Public Works, Columbus, Ohio.*

GENTLEMEN :—You have submitted for my approval contract between the State of Ohio, acting by the Department of Highways and Public Works, and William E. Steyding, of Cleveland, Ohio. This contract covers the construction and completion of a railroad siding on the L. E. & P. Railway, near Townline road, Egypt, Summit county, Ohio, on the Hawthorne property of the Cleveland state hospital, and calls for an expenditure of \$1,975.00.

This contract is entered into in pursuance to another agreement of the Director of Highways and Public Works and the Lake Erie and Pittsburgh Railway Company, which seems to require the construction of such a side track by the state.

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. There has further been submitted a contract bond upon which the Aetna Casualty and Surety Company appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that the laws relating to the status of surety companies and the workmen's compensation have been complied with.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,
C. C. CRABBE,
Attorney-General.
