Test item submission establishes an agreement for testing between the submitting customer and the BCI laboratory. The laboratory employs standardized methods to fulfill customer test requests. Specific method selection, application and sequence are at the discretion of the laboratory, unless otherwise directed by the customer. Investigative information obtained as a result of the laboratory testing may be disseminated to other law enforcement agencies for the administration of justice. The BCI laboratory may subcontract testing to meet operational needs. Subcontracted work will be performed by a competent subcontractor and that work will be clearly identified to the customer.

Prior to the commencement of work, please review the submission receipt to ensure the items submitted and laboratory testing requested are correct. Signature signifies acceptance of the agreement specified above and accuracy of the submission receipt to the best of the signatory's knowledge.

Completed Laboratory reports, Notarized Statements, and Statements of Qualification are available for download from the OHLEG portal (www.OHLEG.org).

Comments: Case Synopsis: On July 29, 2021 the Officers Clay Blair and Mark Boggs of the Mansfield PD were involved in an officer involved shooting. The officer responded to the 300 Wood St for a 911 hang up. After arriving the officers heard a Jaron Von Ginn calling for help. The officers saw James Haynes holding a knife in front of an apartment. The officers ordered Haynes to drop the knife. Haynes refused and a taser was deployed. Haynes began complaining through the window of the apartment still armed with the knife were Ginn was calling for help. Officers shot Haynes, who was transported to a hospital where he died from his injuries. Officers learned that Haynes had stabbed Ginn multiple times with a knife.
