

In view of the powers conferred and in pursuance of the duties enjoined upon the Conservation Council under and by virtue of the provisions of Section 1438-1, supra, the Conservation Council not only possesses authority to control the planting of fish by individuals or a group of individuals in Ohio's inland lakes, which are determined to be detrimental to native fish, but it is a duty incumbent upon the Conservation Council to prohibit, by legal action or proceeding, such action on the part of these individuals.

It is therefore my opinion, in specific answer to your question, that the Conservation Council may in the exercise of the authority conferred under the provisions of Section 1438-1, supra, control the planting of fish in Ohio's inland lakes, when after due consideration it is determined that the planting of such fish would be detrimental to native fish and should not be allowed.

Respectfully,

HERBERT S. DUFFY,
Attorney General.

SALES TAX SECTION OF THE TAX COMMISSION OF
OHIO AT COLUMBUS—THE WESTERN AND SOUTHERN
LIFE INSURANCE COMPANY OF CINCINNATI, OHIO.

HON. CARL G. WAHL, *Director Department of Public Works, Columbus, Ohio.*

DEAR SIR: You have submitted for my examination and approval a certain lease executed by The Western and Southern Life Insurance Company of Cincinnati, Ohio, in and by which there are leased and demised to the State of Ohio, through you as Director of Public Works, certain premises for the use of the Sales Tax Section of the Tax Commission of Ohio.

By this lease, which is one for a term of two years commencing on the 1st day of January, 1937, and ending on the 31st day of December, 1938, and which provides for a monthly rental of \$64.13, there are leased and demised to the state for the use of the Sales Tax Section of the Tax Commission of Ohio certain premises in the Peters Building at 62-68 East Gay Street in the city of Columbus, Ohio, which are more

particularly described as being a space twenty-eight feet six inches wide, and thirty-six feet deep at the southeast corner of the third floor of said building.

This lease has been properly executed by the Western and Southern Life Insurance Company, the lessor, by the hands of its Vice President and Secretary, duly authorized in the premises. I likewise find that this lease and the provisions thereof are in proper form.

The lease is accompanied by contract encumbrance record No. 1, which has been executed in proper form and which shows that there are unencumbered balances in the appropriation account sufficient in amount to pay the monthly rentals under this lease for the months of January and February, 1937. This is a sufficient compliance with the provisions of Section 2288-2, General Code. This lease is accordingly approved by me and the same is herewith returned to you.

Respectfully,

HERBERT S. DUFFY,
Attorney General.
