Investigative Report

2022-1190
Officer Involved Critical Incident – Matthew Ryan Todhunter,
Jacob Matejko (S)

Investigative Activity: Cell Phone Analysis and Review

Involves: Matthew Ryan Todhunter (S)

Date of Activity: 06/03/2022

Author: SA Tyler J. Price, #165

Narrative:

On May 31, 2022, Special Agent (SA) Chad Holcomb submitted an Apple iPhone for data extraction and analysis. The phone was submitted as evidence pertaining to the investigation of an officer involved critical incident. The phone had been collected from the vehicle of the deceased subject, Matthew Todhunter. A search warrant was provided as authorization for the search.

After submission, the SIM card was removed from the phone in an attempt to remove network access and it was placed into a secure evidence room to retain power.

Analysis:

On June 3, 2022, the Apple iPhone Pro Max was connected to a forensic box running the Graykey forensic software. The passcode [REDACTED] was entered to unlock the device and allow Graykey to acquire data. A Filesystem extraction was then obtained from the device.

The extracted files were then loaded into Cellebrite Physical Analyzer for data parsing and analysis. The messages and call logs around the time of the incident were then searched for relevant communications. Relevant messages were located between the device user and the contacts "Baby Britt", "Lindsay", and "Mom". The relevant conversations were exported into separate PDF reports for each contact. The call logs around the time of the incident were also exported into a PDF report. A Cellebrite Reader report was generated containing other parsed data from the device.

Attachment # 03: Conversation with Baby Britt (937-594-3424)
Attachment # 04: Call log around time of incident

Conclusion:

Data from the device was extracted, rendered into a human readable format, and provided for review to SA Perry Roeser. A copy of the extracted data and a copy of the extraction reports provided to SA Roeser will be retained in the Bureau of Criminal Investigation Cyber Crimes Unit case file.

Hey. I'm not sure you can do a dissolution because you have a child. Make sure you put visitation and when you want visitation. Like every Friday at 6 to Sunday at 6 every other holiday every other birthday on the years you don't have him on his birthday or holidays we can plan around it.

Yeah I didn't really do anything this time. I got gaslighted with the truck and went from there u saw what it was like to see boo every single day and I'm a damn good mother. Brittany has made my life hell for a long time and has beat me down as a mother and it's not true. My baby loves me and always comes first and always will.

The assault was when you had me arrested. The theft was when I worked at roosters and my "buddy" at the time left his wallet in my car and I got charged for it. And there was no drug/dui it was just a straight dui

Hi Lindsay and Matt, just wanted to give you a heads up that Maddox had a rough afternoon. He got really upset during a counting activity because he didn't want to do the activity. He threw his paper on the ground and yelled at us. We told him he could take a break if he didn't want to do the activity but instead he attempted to throw a couple kid chairs. Ms. Angel and I were able to intervene to stop him however, he scratched Angel's arm and tried to scratch my face but ended up getting my hair and pulled some out instead. We moved him to a safe place and he did stay there until he calmed down. He wanted me to call one of you to pick him up at the end of the day. I told him that he needed to ride the bus instead. He was sad but he did get on and didn't get upset. Angel and I are both ok but I wanted to let you know he's been getting very upset very quickly
The past two weeks. He is becoming increasingly more violent toward us when upset. He hasn't attempted to hurt any of the other kids and we are able to stop him and keep him safe as well. It's something we will keep working on with him. This is a hard time of year for all of our kids but I think he is definitely feeling it more than others. How has he been doing at home? If there is anything we can work on together for him to get through the last week of school and summer please let us know.

It makes me sick how he treats others cuz he's mad at your situation. He doesn't like change and hopefully you can get your own place one day and be stable for him. Kindergarten and daycare will send him home for these actions

Good. Because I wanna be with you. You mean everything to me. Fb destroys relationships. I don't want our life be plastered on fb anymore. So many people are going to try to come between us. Hell you're already getting multiple friend requests.

I just don't want to lose you ever again . It was painful .

I just want to say, I love you so much. I thank god for bringing us back together. I never want anything or anyone to come between us. You're my forever. Our little family is everything to me. It's just you and me baby.

Baby. You can't think like that. We can't let them make us feel embarrassed. We're gonna prove them all wrong. They won't be laughing when we're living in a 500k house and nice cars. We're taking back our life. This is our life and only we gave control of it

I'm not trying for it to honey. But I just want you to communicate those things with me. And just talk in a calmly respectful manner. And I know you miss Maddox. I miss him too. That boy is my everything. The closest thing I have to my own son. I don't want us to lose this. Lose us. I just felt like you were taking your stress out on me.
