Officer Wells' statement details his involvement at the crash scene.

Officer Cook's statement details his involvement with providing medical aid to Frank Tyson as well as his actions related to the vehicle crash. His statement is included below:

On 4/18/2024 while working afternoon shift in car #42 with my partner Officer Stern I heard officers on the radio ask if any car has NARCAN. Officer Stern and myself did have NARCAN in car #42. We advised CANCOM that we have NARCAN and responded to accident which was in the 1700 block of Sherrick SE with my lights and sirens. Upon arrival I observed a cruiser parked in the middle of the road and bystanders informed us that the officers were at the VFW which was further East on Sherrick. Officer Stern and myself then got back in our cruiser and drove to the VFW. Officer Stern advised CANCOM that officers were at the VFW and not the 1700 block of Sherrick RD SE. Upon arrival at the VFW I asked a group of people who were outside where the officers were at and they told me that they were inside of the VFW. I then exit my cruiser with the NARCAN and go inside of the VFW. Once inside I observed officers and a deputy providing aide to a male on laying on his back on the floor. I advised them that I have NARCAN and gave 1 dose of NARCAN to Officer Yepes who administered it. I asked the Deputy that was doing chest compressions if he wanted to switch and he said yes. I then started CPR on the male that was laying on the ground. After a period of doing chest compressions Officer Schoenegge asked if I wanted him to start doing CPR to which I told him yes. After switching with Officer Schoenegge I then gave the victim another nasal dose of NARCAN. A short time after medics arrived and took over first aid. Officer Stern and myself then went back to the location of the accident. We then blocked off Sherrick RD SE with our cruiser. I observed a vehicle in the yard of 1732 Sherrick RD SE. The vehicle had the driver side door open, damage to the front end, and the airbag was deployed from the steering wheel. The vehicle's engine was still running and I turned the key in the vehicle's ignition to off to shut off the engine. I also observed a telephone pole that was struck in the 1700 block of Sherrick RD SE, it was on the roadway. I observed tire marks in the roadway from the struck pole up to the vehicle that was parked in the yard of 1732 Sherrick RD SE. I then walked around the roadway, and the parking lot of the VFW to see if I could find any evidence or property and I did not. I went back inside of the VFW and a male informed me that the male who ran inside came and sat down at a table in the back. The male I was speaking to said that they wanted the male to leave and told him he needed to leave and that is when the male got up and went toward the front of the VFW. Sergeant Rastetter then informed my partner Officer Stern that we can clear up from the call. I then completed from the call. Nothing further.

I also requested a search warrant for the contents of said vehicle. The listed vehicle was being stored at the Canton Police Impound lot, 2436 30th St NE. Attorney E. Hamilton and I met with Judge Guardado of Canton Municipal Court. Judge Guardado reviewed the affidavit and search warrants and signed both. April 23, 2024, Ptl. Staten, Wells and I met with agents from Ohio BCI and Detective P. Thomas of the Canton Police Department ID Bureau, for purposes of executing the search warrants. The vehicle was photographed by BCI and Canton Police. Ptl. Wells downloaded the vehicle using the CDR kit. Once the download was complete, Officers began to search the interior of the vehicle. Inside, Officers located an empty can of Bud Ice beer, several articles of clothing and personal belongings. Officers also located several prescription medications belonging to Frank Tyson. The medications were photographed and collected by Det. Thomas. Inside the vehicle on the center console, I located a glass pipe that appeared to have residue on the it. That pipe was photographed. Det. Thomas collected the pipe and once examined, officers observed a white substance in the end of the pipe. Det. Thomas collected all items and an inventory and a copy of the search warrant was left with the vehicle. I met with assistant prosecutor E. Hamilton and returned the search warrant on April 23, 2024. LOCAL REPORT NUMBER 2404004	REPORTING AGENCY CANTON POLICE	DATE OF CRASH M 04 D 18 Y 2024
IN COUNTY OF STARK	CRASH LOCATION SHERRICK RD SE	

On 4/18/24 I received a WENS notification requesting the crash team to respond to the 1700 block of Sherrick Rd SE for a single car crash. I responded to the scene and met with Ptl. Schoenegge who walked me through the scene. A Chevrolet malibu was traveling eastbound on Sherrick and drove off the south side of the roadway striking a utility pole causing it to break at the base near the sidewalk. The Chevrolet continued eastbound re-entered the roadway and then left the roadway off the south side of the roadway coming to rest in a grass area just west of the creek.

Other crash team members to respond to the scene were: Ptl. Bays and Staten of the Canton Police Department. Ptl. Davis of the Massillon Police Department. Ptl. Manos of the Lawrence Twp Police Department. Deputy K. Johnson of the Stark County Sheriff's Office.

Ptl. Staten took photographs of the scene and vehicle involved. Ptl. Bays and Deputy Johnson took measurements of the scene using a Nikon Total Station. Ptl. Manos, Davis and I along with the other members located and marked available evidence using spray paint.

No further information at this time.

Accident

1700 Sherrick RD SE Bk

On 4/18/2024 while working afternoon shift in car #42 with my partner Officer Stern I heard officers on the radio ask if any car has NARCAN. Officer Stern and myself did have NARCAN in car #42. We advised CANCOM that we have NARCAN and responded to accident which was in the 1700 block of Sherrick SE with my lights and sirens. Upon arrival I observed a cruiser parked in the middle of the road and bystanders informed us that the officers were at the VFW which was further East on Sherrick. Officer Stern and myself then got back in our cruiser and drove to the VFW. Officer Stern advised CANCOM that officers were at the VFW and not the 1700 block of Sherrick RD SE. Upon arrival at the VFW I asked a group of people who were outside where the officers were at and they told me that they were inside of the VFW. I then exit my cruiser with the NARCAN and go inside of the VFW. Once inside I observed officers and a deputy providing aide to a male on laying on his back on the floor. I advised them that I have NARCAN and gave 1 dose of NARCAN to Officer Yepes who administered it. I asked the Deputy that was doing chest compressions if he wanted to switch and he said yes. I then started CPR on the male that was laying on the ground. After a period of doing chest compressions Officer Schoenegge asked if I wanted him to start doing CPR to which I told him yes. After switching with Officer Schoenegge I then gave the victim another nasal dose of NARCAN. A short time after medics arrived and took over first aid. Officer Stern and myself then went back to the location of the accident. We then blocked off Sherrick RD SE with our cruiser. I observed a vehicle in the yard of 1732 Sherrick RD SE. The vehicle had the driver side door open, damage to the front end, and the airbag was deployed from the steering wheel. The vehicle's engine was still running and I turned the key in the vehicle's ignition to off to shut off the engine. I also observed a telephone pole that was struck in the 1700 block of Sherrick RD SE, it was on the roadway. I observed tire marks in the roadway from the struck pole up to the vehicle that was parked in the yard of 1732 Sherrick RD SE. I then walked around the roadway, and the parking lot of the VFW to see if I could find any evidence or property and I did not. I went back inside of the VFW and a male informed me that the male who ran inside came and sat down at a table in the back. The male I was speaking to said that they wanted the male to leave and told him he needed to leave and that is when the male got up and went toward the front of the VFW. Sergeant Rastetter then informed my partner Officer Stern that we can clear up from the call. I then completed from the call. Nothing further.

I was in the back of the club (Amvets 124) when a black male middle age came in the back of the club yelling call 911 somebody is trying to kill me. Someone from the front said that they called 911. He was sitting on a chair still yelling inaudible and took something and his wallet out of his pocket and place whatever we had in his hand besides his wallet in his shoe. He got up and was still yelling call 911 somebody is trying to kill me as he walked to the front of the bar by the front door. Some one went outside to see if someone was outside. Shortly after that Canton PD came in the front door and was trying to apprehend the black male. They were struggling around the bar trying to get him under control as the guys was fighting them. Once they got to the the door way to going to the back, myself and another patron helped get his legs under control while to Canton PD cuffed the individual. The individual was still fighting with Pd while cuffed. They had him on his stomach. One of the officers crossed the individuals leg and controlled him while the other officers went to get the car.
