

*anything else which does not in any wise conflict with his public duties.* Each individual instance of an alleged conflict of public duty with private employment would necessarily have to be determined on the facts. In my opinion, it cannot be said as a matter of law, that the mere fact that a deputy recorder makes abstracts during the hours that the recorder's office is open to the public is necessarily a violation of his duties as deputy recorder."

It is therefore my opinion that (1) a County Recorder may make reports for a compensation to credit agencies in his individual capacity, the information for such reports coming from his own office records; and (2) a Deputy County Recorder may report to a credit agency for a compensation the daily recording of liens, in an individual capacity, such information coming from the records of the office in which she works, upon the condition that any such work does not in any way interfere or conflict with the public duties of such officers.

Respectfully,

HERBERT S. DUFFY,  
*Attorney General.*

RE: Bonds of Salem-Oak Harbor Village School

I have examined the transcript of proceedings relative to the above bonds purchased by you. These bonds comprise part of an issue of School building bonds in the aggregate amount of \$88,000, dated December 10, 1937, bearing interest at the rate of 3½% per annum.

From this examination, in the light of the law under authority of which these bonds have been authorized, I am of the opinion that bonds

issued under these proceedings constitute a valid and legal obligation of said school district.
