Each and both of these leases are for a term of five years and in each instance the property described is leased to the state for the sole purpose of a state game refuge. And in this connection it is noted that as to each of these leases the Conservation Council, acting through you as Conservation Commissioner, has made an order setting aside the lands described in the lease for the purpose of a state game and bird refuge, as provided for in Section 1435-1, General Code.

Upon examination of these leases, I find that the same have been executed and acknowledged by the respective lessors in the manner provided by law. I also find upon examination of the provisions of these leases and of the conditions and restrictions therein contained, that the same are in conformity with statutory provisions relating to the execution of leases of this kind.

I am accordingly approving these leases as to legality and form, as is evidenced by my approval endorsed upon the two leases and upon the duplicate copies thereof, all of which are herewith returned.

Respectfully,
 JOHN W. BRICKER,
Attorney General.
