WARNING: TO AVOID POSSIBLE SERIOUS INJURY: (1) Use only in firearms in good operating condition, suitable for modern ammunition. (2) Keep barrel free of obstruction. (3) Check all cartridges to assure they are correct for use in your firearm. (4) If gun misfires, keep it pointed in a safe direction and wait 30 seconds before unloading. (5) Wear eye and ear protection. (6) Since handloading practices are beyond our control, we disclaim all liability for damage or injury which may result from handloaded cartridges.
LEAD WARNING: Discharging firearms in poorly ventilated areas, cleaning firearms, or handling ammunition may result in exposure to lead, a substance known to cause cancer, birth defects, and other illness or injury. Use only with proper ventilation. Wash hands thoroughly after handling.
