Page 3 Only question and page 10 question 3. Page 11 question 5.

I had an apartment in my name for my children and thier mother. We were all to stay together but my children's mother and I split up, but I continued to pay for the apartment. When moving out she told me that she cleaned out the apartment, however she left the place a mess and I was charged \$599 for the clean up cost. I didn't become aware of the charges until garnish paperwork arrived at my place of employment at the time (Blind Pig). The address was 5220 Knollwood Dr Apt. 4 The complex was Parma Woods Apt. Parma, OH 44129

Page 10 question 1.

I have a charge of \$400 for a surgery I had on my ear. My medical insurance was supposed to cover the procedure, therefore the bill is currently under dispute.

But it is very well possible that I will end up paying the bill anyway. The only other delinquency currently on my credit report is on the report from the credit bureau Trans Union and is for a gas bill that I was delinquent on, but I have paid. This is also in dispute.

Section 11 - Explanations and Clarifications

The following space is provided for detailed answers to preceding questions. Indicate the section number, page number, and the question number to which the answer applies.

Page 10 question 1.

On January 13th, 2007 I was detained by Parma Police Department a warrant for failing to appear. I had a ticket for a cracked windshield that I didn't pay. I bonded out that night and made my next court date, where my ticket was paid from the bond money.

On February 22nd, 2008 I was in a car accident and taken to the hospital. When discharged from the hospital I was detained by North Ridgerville PD for a warrant I had from not paying a Speeding Ticket. I ignorantly forgot to pay the ticket. Like Parma, I bonded out that night and my ticket was paid from the bond money.

On October 12th, 2008 I was in Highland Hills and made an illegal turn and was pulled over. At the time my license was suspended, I was oblivious to the fact that after 12 points on my license, it would be suspended. So my vehicle was getting towed. I was patted down and had brass knuckles in my pocket. I assumed since I could buy them, I could have, I had no idea they were illegal. I was arrested for Carrying a Concealed Weapon. But I had my license to carry a concealed handgun, so Judge Junkin dropped the charges to Disorderly Conduct. All jailtime, probation and anger management courses were removed. I only paid a fine.
