Officer Involved Critical Incident – 303 S. Main St. Celina, Oh.
45822

Investigative Activity: Document Review
Involves: Celina Police Department (O)
Date of Activity: 01/09/2025

Narrative:

On Thursday, January 09, 2025, the Ohio Bureau of Criminal Investigation (BCI), Special Agent (SA) Jason Snyder (Snyder), received information from the Celina Police Department (Celina PD), located at 225 N. Main St., Celina, Oh. 45822. The information was related to the Officer-Involved Critical Incident (OICI) which took place on Tuesday, December 31, 2024, in Mercer County Ohio.

On December 31, 2024, the Mercer County Sheriff's Office (Mercer SO), contacted the Ohio Attorney General's Office, Bureau of Criminal Investigation (BCI). Mercer SO requested BCI to investigate the OICI in their jurisdiction.

Due to the nature of the investigation, SA Snyder was requested to assist the Special Investigation Unit (SIU) with the OICI.

SA Snyder was asked to assist in receiving information concerning the deployment of a Taser unit during the OICI. During a search of the scene, a Taser was collected.

On January 8, 2025, SA Snyder withdrew the Taser from the evidence room at BCI in Bowling Green, Ohio, which was collected at the scene. SA Snyder secured the Taser in his agency vehicle in a secure weapons safe overnight. This was due to the meeting with Patrolmen (Ptl.) Dave Powell meeting with SA Snyder at Celina PD early the next morning.

SA Snyder met with Ptl. Powell at the Celina PD on January 9, 2025. Ptl. Powell was the Celina PD operator of the applications and mechanisms which were needed to download the Taser log which was stored in the Taser.

SA Snyder unsecured the Taser from his vehicle and opened the secured bindings from the box which the Taser was stored in. SA Snyder withdrew the taser and presented the Taser to Ptl. Powell for downloading.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law – a statute, an administrative rule, or any rule of procedure.

Ptl. Powell downloaded the information and created a copy of the Taser download. Ptl. Powell present SA Snyder with the Axon Taser information documents. Due to the times not being accurate, Ptl. Powell wrote a report which was later sent to SA Snyder (see Ptl. Powells report attached).

After the download occurred, SA Snyder re-secured the Taser in the original box and placed date and time of the re-securing on the affixed security tape. SA Snyder then placed the Taser back into the secured evidence room in Bowling Green, BCI.

It is believed that the times on the Taser were not updated to reflect Daylight Savings Times. All of the times presented on the Taser report are reflecting one (1) hour ahead.

In reviewing the Taser downloaded documents, and adjusting for daylight savings times, the Taser was activated on December 31, 2024, at 04:12:29 hours.

The trigger was pulled on December 31, 2024, at 04:12:39 hours and the unit was active for five (5) seconds.
