

the first publication of the same was made on December 2, 1926, and published for four consecutive weeks thereafter.

The notices of the sale provided that the bonds were to be sold on December 28, 1926. In the case of *State vs. Kuhner and King*, 107 O. S., page 406, the Supreme Court of Ohio held:

“The requirement of section 1206, General Code, that ‘the state highway commissioner shall advertise for bids for two consecutive weeks,’ is mandatory, and the contract entered on June 14 for advertisement in two weekly newspapers of the county on June 6th and June 13th is invalid.”

It will therefore be observed that the provisions of section 3924 G. C., for the publication of the notice of the sale of municipal bonds have the same provisions as to the period of time for which the notice shall be published and advertised as section 1206 of the General Code, and applying the provisions of the decision in the case of *State vs. Kuhner and King*, supra, it is necessary to hold that these bonds have not been legally advertised and sold as required by section 3924 of the General Code.

For these reasons, you are advised not to accept said bonds.

Respectfully,
C. C. CRABBE,
Attorney-General.
