██████████ of the previous call details identifying the male as bi-polar and schizophrenic. ██████████ stated he was standing to the side of the door as ██████████ made contact with the male (Calloway). ██████████ stated that ██████████ advised Calloway of the noise complaint, to which Calloway stated it wasn't him. ██████████ stated that he could clearly hear the loud noise coming from inside the apartment. ██████████ stated that Calloway invited them inside the residence, where they observed Calloway had a sound bar on, which was emitting loud audio.

██████████ advised Calloway that he had a warrant. ██████████ stated that Calloway made a statement to the effect of, "people are stealing plants." ██████████ stated that Calloway was told he was under arrest. ██████████ observed Calloway holding a tennis ball that he threw. ██████████ said he observed ██████████ grab one of Calloway's arms and Calloway clinched up. ██████████ stated that he immediately went to grab Calloway's right arm. While trying to take control of Calloway's arm they went to the ground. ██████████ described that no force was used to take Calloway to the ground, but it was like he went to the ground on his own.

██████████ described that Calloway landed on his knees with his upper body lying face down on the couch. ██████████ stated that ██████████ still had a hold of Calloway's left arm. ██████████ was trying to control Calloway's right arm, which was now positioned under his stomach. He advised that he repeatedly told Calloway to stop resisting, and that he was under arrest. ██████████ stated that he was unable to pull Calloway's hand from under his stomach. He said that Calloway may have been holding his shirt/waistline or was just very strong.

██████████ stated that he was aware that Calloway had mental health issues, so he tried to convince Calloway to cooperate and give officers his arm. He stated that Calloway repeatedly said no. ██████████ stated that he recalled Calloway at one point saying, "I can't get up." ██████████ said he aired over the radio that officers were "26" (fighting).

██████████ stated that he was not applying any pressure to Calloway, as he was positioned to his side and holding onto Calloway's arm in case it became free. ██████████ stated that ██████████ handed him an ASP. He attempted to place the ASP in the pit of Calloway's elbow to try and pry his arm out but was unsuccessful. ██████████ described that Calloway's arms and the couch were wet and that he could smell urine in the apartment. ██████████ stated that dispatch aired a "check" over the radio, and he said additional units were needed. ██████████ stated that he told ██████████ that they needed to wait for additional units to arrive.

██████████ said that ██████████ arrived on scene, and he told him that he was unable to secure Calloway's right arm. ██████████ and ██████████ got ahold of Calloway's arm and pulled, at which point Calloway's arm became free, and they placed him in handcuffs.

██████████ said they attempted to move Calloway and observed that he was not responsive. ██████████ advised that he was not sure if Calloway was playing 'dead' to not cooperate. ██████████ stated that when he observed Calloway's face, it had no expression and the color was not good. ██████████ said that ██████████ immediately aired over the radio that they needed EMS. ██████████ stated that he and ██████████ repositioned the handcuffs to the front of Calloway.

██████████ described that when they moved Calloway, he heard air but was not sure if it was agonal breathing. ██████████ stated that he checked Calloway's wrist for a pulse. At that point, ██████████ responded with an AED that was placed on Calloway. ██████████ said that the AED advised that no shock was needed and to start CPR. ██████████ said he began doing CPR while counting out loud. ██████████ stated that he recalled getting to 60 or 70 seconds, then Officer Brent James took over CPR.

██████████ did not recall Calloway struggling or moving, just deadweight, not letting his arm free. ██████████ did not recall what ██████████ was doing to control Calloway on the other side. He stated that he observed ██████████ was able to secure two (2) sets of handcuffs on Calloway's left hand. ██████████ believed that the incident lasted three to four minutes. ██████████ described that Calloway had his face on the seat of the couch. He did not recall if Calloway was moving his head, because he was focused on Calloway's arm and hands. ██████████ was unsure if Calloway had urinated and defecated on himself before, during, or after the incident. ██████████ did not observe any physical injuries on Calloway.

The interview concluded at approximately 1121 hours. The interview was audio recorded and has been uploaded and stored in Axon. The signed BCI Criminal Investigation Notification form is attached to this report. Please see the attachment for further details.
