Officer Coy relocated all four males several minutes later in front of the McDonald's and advised Officers Romans and Rees of the additional information. At approximately 12:10AM, Officer Romans advised Officer Coy that he and Officer Rees were flagged down by a victim alleging a black male had robbed him at the Fifth Third ATM near McDonald's at 1960 N. Narrative (continued)

The victim informed officers the suspect had his hands concealed, said he had a gun and demanded all his money. When the victim told the suspect he had just deposited all his money into the ATM, the suspect then demanded the victim's ATM card. The victim said he threw the card on the ground and told to suspect to take it, there was no money. The victim said the suspect then walked away. The victim did ID the suspect. The suspect was arrested and charged with 2901.01 Aggravated Robbery (F1). The suspect has since been indicted with 2911.02 Robbery (F2) and 2911.02 Robbery (F3). He was identified as:

Ahmed Abdille, Franklin County Common Pleas Court case 18CR004818.

The incident CAD number associated with this incident is 180792318.

Officers Romans, Rees, and Coy observed four suspicious males in an area where several OSU students have been victims of crimes. Their experience and attention to small details allowed them to observe suspicious behavior and working together, operate in a covert manner allowing them track the four males. Their excellent police work led to the arrest of Mr. Abdille who was charged with Aggravated Robbery, a first degree felony.

The actions of Officer Romans, Officer Rees, and Officer Coy are consistent with the Special Commendation ribbon per Division Directive 9.05 I, H. 4., Awards and Recognition, which states, "The commendation awarded to Division personnel who distinguished themselves by effecting an arrest for a second degree felony or higher without prior information from an outside source. I recommend Officer Romans, Officer Rees, and Officer Coy be awarded the Special Commendation ribbon by the Division of Police.

Special Commendation

presented to

Officer Adam Coy

On September 19, 2018, Officers Melvin Romans and Marc Rees were working Directed Patrol in a marked cruiser in the Ohio State University Campus area when they recognized two males on bicycles from previous encounters. They notified Officer Adam Coy who was also working Directed Patrol in the area in plain clothes.

Officer Coy watched the two males as they met with two other males in front of a McDonald's restaurant where they exchanged shoes and other items. Officer Coy advised Officers Romans and Rees of the information.

Officer Romans later advised Officer Coy that he and Officer Rees were flagged down by a victim alleging a male suspect had robbed him at a bank ATM near the McDonald's and gave a description matching one of the males Officer Coy was watching. Additional cruisers were requested to detain the four males while the officers investigated the crime. The victim informed officers the suspect had his hands concealed, said he had a gun, and demanded all his money. When the victim told the suspect he had just deposited all his money into the ATM, the suspect then demanded the victim's ATM card.

The victim said he threw the card on the ground and told to suspect to take it, there was no money left. The victim said the suspect then walked away. The victim did positively identify the suspect, who was arrested and charged with Aggravated Robbery.

Officer Adam Coy is awarded a Special Commendation for his high degree of personal initiative which resulted in the arrest of a robbery suspect. His actions reflect positively on him and the Columbus Division of Police.

Subject: Note of Appreciation

Hi Tina,

With the leadership changes underway there, I thought you might be the best point of contact to relay Battelle's appreciation for the outstanding response we received from the Columbus Police. In the early morning hours of January 28th, many CPD units and resources responded to Battelle for a bomb threat. The response from Lt. Bobo and his team was exceptional. Their sense of urgency to protect and clear the perimeter, along with their initiative to partner with our Security team, enabled a very quick assessment and dismissal of the threat. In just over 2 hours from the time CPD received the call, a thorough assessment was complete and I was able to brief Battelle's leadership with a confident recommendation for an on-time Monday morning start – a significant achievement. On behalf of Battelle, we greatly appreciate your partnership and the service you provide to the community.

Sincerely,

-Steve Tinapple

Distinguished Service Medal

presented to

Officer Adam Coy

On January 17, 2018, Officer Adam Coy was working a plain clothes assignment and heard 3 precinct officers get dispatched to a gas station on a report of male pouring lighter fluid on the floor inside the store and threatening to ignite a fire. Officer Coy was very close to the location and responded, arriving on scene first. Officer Coy observed the male and the clerk arguing near the door.

Officer Coy entered the store, and the clerk stated "Sir, you should probably leave, this guy is trying to set the place on fire." Officer Coy noticed he was standing in a pool of lighter fluid along with the male suspect and the clerk, and observed the suspect had a lighter in one hand and a piece of paper in the other. Officer Coy knew he had to take immediate action to prevent the suspect from starting a fire, so he attempted to engage the suspect in conversation to distract him. However, the suspect continued arguing with the clerk, and then pulled his hands toward each other, sparking the lighter in an attempt to light the piece of paper on fire.

Officer Coy quickly lunged at the suspect, knocking the lighter and paper from his hands. He announced himself as a Columbus Police Officer, and placed the suspect on the ground, and put his hands behind his back. Uniformed officers arrived on scene and handcuffed the suspect without further incident. Columbus Division of Fire Arson Investigators responded and the suspect was charged with Attempted Aggravated Arson, Making Terroristic Threats, and Possession of Criminal Tools.

Officer Adam Coy is awarded a Distinguished Service Medal for performing an act in the line of duty at a risk of personal harm, while under complicated and hazardous conditions.

His actions are in the highest tradition of law enforcement professionalism and reflect positively on him and the Columbus Division of Police.

While Officer Coy was talking to Mr. Krohn-Cook, Mr. Krohn-Cook and the clerk began arguing and pushing each other again. Officer Coy saw Mr. Krohn-Cook look down, pull his hands toward each other bringing the lighter and the paper he was holding together. Officer Coy then saw Mr. Krohn-Cook spark the lighter in an attempt to light the paper. Officer Coy quickly lunged toward Mr. Krohn-Cook knocking the lighter and paper from his hands. Officer Coy held Mr. Krohn-Cook on the ground until the uniformed officers arrived. Mr. Krohn-Cook was handcuffed without further incident. Officers contacted the Columbus Division of Fire Arson Detectives who responded to the scene and charge Mr. Krohn-Cook for Attempted Aggravated Arson, Making Terroristic Threats Threats and Possessing Criminal Tools.

The courageous actions of Officer Coy brought great credit to the Columbus Division of Police. Officer Coy knew he had to take immediate action by himself and did not have time to wait for uniformed officers to arrive. Officer Coy prevented a fire from being started that could have injured himself, the clerk, and Mr. Krohn-Cook. The potential property damage from the fire would have been extensive and could have injured more people driving or walking by the gas station.

I respectfully request that Officer Coy #2275, Z4E2-8, be considered for the Distinguished Service Medal in accordance with Division Directive 9.05 (1) (E), Awards and Recognition, which states the criteria for the Distinguished Service Medal is, "The commendation awarded to active sworn Division personnel who performed an act in the line of duty at a risk of personal harm. The act must have been performed under complicated or hazardous conditions, during which the officer used excellent judgment in accomplishing a specific police mission."

Officer Coy,
I wanted to thank you for your assistance Tuesday night and sorry to whine about all my financial calamities this winter. Since my car has unique tires that are not in stock (not even the Dealership), I have had to have a Tire company special order them and rent a car in the interim. Hopefully they will arrive today and be installed on the wheels (with no damage to the rims) and reinstalled on my car this afternoon. I appreciate your helpfulness.

Chief Jackson

Columbus Police Department
120 Marconi Blvd.
Columbus, OH 43215

Dear Chief Jackson:

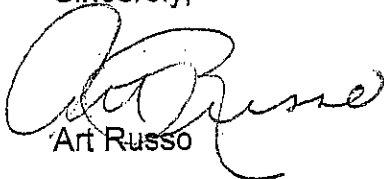

Earlier this month, my new 2005 Jaguar was stolen when I went to retrieve it from the parking valet (Parking Solutions) for a downtown Columbus restaurant.

It isn't very often someone goes out of their way to do an exceptional job. Your officer Adam Coy (Badge #2275) was the officer in charge of my case. The officer not only drove me to my home when I was stranded, but came to my home at three o'clock in the morning to return me to my car once it was found.

Officer Coy's efficiency and attention to detail was responsible for the safe return of my car in a relatively short period of time. He was courteous, knowledgeable, polite and sensitive to my feelings during the situation. I wish you had a thousand officers just like him.

Thank you again and Officer Coy has reinforced my belief in the police department.

Sincerely,

Art Russo

Dear Sergeant Kirk:

On the evening of July 18, I was involved in a significant traffic accident at the intersection of Hayden Run Blvd. and Riverside Dr. Three cars were impacted, and five individuals were seen at Riverside Hospital. While all emergency personnel responding to the collision and its resulting injuries were extremely professional, I must extend the highest praise to your three officers at the scene, as well as the three Perry Township officers also there. A practicing nurse for twenty-two years (a nurse anesthetist for twenty of them), I am used to emergency management, triage, etc; I was particularly impressed that the most comforting and calming individuals in this situation were the police, who already had their hands busy with accident reports and witnesses, exchange of information, clearing the intersection, maintaining traffic flow, managing spectators, and so on—all in the middle of a heavy thunderstorm and downpour.

Officer Larry Harter (#1573, 176-EMW), Officer Catherine Kirk (#2250, 179-EMW), and Officer Adam Coy (#2275, 179-EMW) are to be commended for not only their exemplary handling of official police duties, but also for the many extras they did for all those involved—the eye contact, the smiles, the comforting words, taking time to check on my bulldog's status (a special needs pooch who had taken quite a jolt), trying to keep the accident victims as dry and comfortable as possible until the medics took over, and much more. Actions such as these, that epitomize the human, caring side of police officers, are unfortunately rarely noticed or captured by the media, and therefore the public in general. Additionally, the conclusion that these actions represent not only the officers mentioned, but the Columbus Police (and Perry Township Police, who are also being notified) as a whole, must logically be drawn.

Please extend my thanks to Officers Harter, Kirk, and Coy. My passenger from Florida asked that I also pass on her appreciation for a job so well and thoughtfully done. Thanks

to you and the rest of the Department as well for all you do for the residents of Columbus and the surrounding areas. Take care and stay safe!

Sincerely,

Lin Bruce
