Narrative:

On 07/17/2024, Special Agent Supervisor (SAS) Scott Stranahan (Stranahan) and Special Agent (SA) Tiffany Najmulski (Najmulski) went to 27695 Tracy Road, Walbridge, Ohio, in an attempt to make contact with residents at the trailer park that could not be reached on the incident night. The night of the incident, a group of agents conducted a neighborhood canvass and left their business cards at residences where no one answered. Those agents did not receive a returned call.

SAS Stranahan and SA Najmulski went to the following lot numbers and still could not get an answer: 322, 326, 334, 340.

The occupant of lot 321, Forest Ray (Ray), called SA Najmulski later that evening and advised he was home sleeping the evening of the incident and heard 2 shots and then at least 3 more shots. Ray said he could not tell where the shots were coming from. SA Najmulski asked Ray about his door camera. Ray said he checked his camera footage that evening when the officers were going door to door and did not see any activity around that time period.

At the time of report, no other persons have reached out to agents.
