ABSTRACT, STATUS OF TITLE, TO PREMISES IN SURVEY 13351-13402,
FRANKLIN TOWNSHIP, ROSS COUNTY, OHIO.

COLUMBUS, OHIO, August 13, 1926.

HON. CARL E. STEEB, *Secretary, Ohio Agricultural Experiment Station, Columbus, Ohio.*

DEAR SIR:—Examination of an abstract of title, first submitted to this department in November, 1925, and which is now on file in the state auditor's office with Opinion No. 2946 of this department attached, and other data submitted by you for my examination and opinion discloses the following:

The abstract as originally submitted was certified under date of November 10, 1925, and was originally submitted to cover the purchase of 494.50 acres of land situated in Franklin township, Ross county, Ohio.

Upon re-examination of said abstract I find same covers an additional tract of 50 acres located in the south part of survey 13351-13402 Franklin township, Ross county, Ohio.

Said abstract shows sufficient title to said premises in Marcella Tripp, subject to the following exceptions:

Attention is directed to the matter of an uncanceled mortgage shown at section 101, page 17 of the last continuation for the sum of \$3,000 given under date of June 13, 1925. Evidence of a proper release of this mortgage must be submitted before the final consummation of the purchase of the 50 acre tract now under consideration.

The warranty deed as submitted will be sufficient to convey the premises to the State of Ohio when properly delivered.

Encumbrance estimate No. 570 as submitted covers the purchase under consideration, and has been properly certified by the Director of Finance.

It will also become necessary to furnish an additional approval by the controlling board covering the 50 acre tract now under consideration. The formal approval issued under date of September 29, 1925, does not cover the 50 acre tract now being purchased.
