Re: Bonds of City of Springfield, Clark County, Ohio,  
\$89,773.00.

GENTLEMEN:—The transcript of the proceedings relating to the above bond issue shows that notes were issued in anticipation of said bonds. When said notes were about to fall due, a bond ordinance was passed as provided by section 2293-26, General Code. This ordinance was passed on the 16th day of October, 1933, and provided that the bonds should mature annually commencing March 1, 1935. Under section 2293-12, General Code, the first maturity could not be earlier than the first day of the second September next following the 15th of July next following the passage of this ordinance, which would mean that the first maturity could not be earlier than September 1, 1935.

Since, in my opinion, the first maturity of these bonds is prior to the earliest date allowed by law, it is my advice that you do not purchase these bonds.

Respectfully,

JOHN W. BRICKER,

*Attorney General.*
