Investigative Activity: Interview of Jordan McCauley
Involves: Jordan McCauley (o)
Activity Date: 05/14/2024
Activity Location: Telephone
Authoring Agent: SA Jon Lieber #50

Narrative:

On May 14, 2024, at 1925 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Jon Lieber (Lieber) interviewed Jordan McCauley (McCauley) via telephone [REDACTED]

McCauley was contacted because her Ohio Identification card was found inside of a wallet that was carried by Frank Tyson at the time of his death.

SA Lieber asked McCauley if she knew a person named Frank Tyson. McCauley stated that she does not know that person. SA Lieber asked McCauley if she lost her driver's license recently. McCauley stated that her license was stolen from her boyfriend's truck. McCauley stated that the truck, a white color Ford F-150, was broken into approximately 2 weeks ago. SA Lieber asked if it was a company vehicle or personally owned. McCauley stated that it was a personal vehicle. She said that the window was shattered.

SA Lieber asked if there are any surveillance cameras on the property that would have captured the incident. McCauley said that her neighbors have cameras but when she checked with them, they said that their cameras did not capture anything. SA Lieber asked if McCauley knew the exact date of the break-in. McCauley said that she did not know the exact date. McCauley stated that her bookbag, insurance card, and her daughter's stuff were also stolen. SA Lieber asked the approximate value of the items stolen. McCauley stated that it was just her bookbag, identification, insurance card, and her daughter's paperwork. McCauley stated that there was no cash or credit cards stolen. The address where the vehicle was parked when the break-in occurred was 419 Fenton Avenue NE, Canton, OH.

McCauley stated that her driver license was not in a wallet, it was in the side pocket of the bookbag. McCauley stated that they did not make a police report regarding the vehicle break-in. McCauley stated that the driver's side front window was the window
