

**Ohio Attorney General's Office
Bureau of Criminal Investigation
Investigative Report**

2024-3413
Officer Involved Critical Incident - Calvin Darapheth (V)

Investigative Activity: Findlay Police Department Report Review
Involves: Findlay Police Department
Activity Date: 11/19/2024
Activity Location: 1105 Bernard Avenue, Findlay, Ohio
Authoring Agent: SA Joshua S. Rammel

Narrative:

On Tuesday, November 19, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Josh Rammel (SA Rammel) received documents from the Findlay Police Department (FPD). The records which were requested included any reports pertaining to the October 28, 2024, officer-involved critical incident (OICI), except for any statements made by the involved officers.

SA Rammel reviewed the documents and noted the following basic identification information:

Juvenile Calvin Darapheth (Calvin) was listed as the suspect in the report.

The offenses of Underage Person Consume/Possess Alcoholic Beverages and Felonious Assault were listed against Calvin.

FPD [REDACTED] was listed as being the victim of the Felonious Assault.

Society was listed as the victim for the Underage Person Consume/Possess Alcoholic Beverages.

The reports for FPD incident # [REDACTED] were attached to this investigative report. Please refer to the attachment for further details.

FINDLAY POLICE DEPARTMENT

CASE SUPPLEMENT REPORT

CASE [REDACTED]

NARRATIVE

On 10/28/2024 at approximately 0000 hours I took over of the scene log for Sergeant Brown #238. No personnel entered or left the crime scene. The west side of the crime scene (Bernard Park side) was now open at around 0045 hours, where BCI&I began on the East side of the railroad tracks for investigation. I did not enter anyone on a crime scene log as I was crime scene security.

Officer Lafferty #1199

REPORTING OFFICER

FINDLAY POLICE DEPARTMENT

CASE REPORT

CASE [REDACTED]

NARRATIVE

On 10/28/2024 at approximately 1828hrs Ofcr Burkholder and I were dispatched to 1105 Bernard Park for three juveniles drinking alcoholic beverages at the park. It found the juveniles were located at a park bench on the south side of the park.

I arrived first at the park and could see what appeared to be three juveniles sitting at a park bench on the south side of the park. I could also see what appeared to be multiple wine cooler bottles under the park bench table at the juvenile's feet. As I got out and approached I could clearly read the label on the bottles to say "Seagram's." I know from my training and experience for this to be an alcoholic beverage.

I advised the three juveniles, later identified as Calvin Darapheth, Autumn Pickney, and Sam Milledge, that I was there for a complaint of juveniles drinking alcohol in the park. I asked the juveniles if that's what they were doing. No one answered me. I noted that Calvin was sitting on the south side of the bench facing the north, Autumn was also on the south side of the bench facing Calvin, and Sam was sitting on the north side facing Calvin. I also saw Autumn shove something orange in her pocket as I walked up. I asked Autumn at that time what she shoved in her pocket. Autumn pulled out an orange vape pen, held it up and stated it was a vape.

I told the juveniles to start handing me the bottles that were located at their feet. I could see 1-2 bottles already empty and one bottle that was approximately half way empty. I asked how old they all were. Sam replied that he was 13 years old, Sam further stated that he had just arrived and had not been drinking. I told Sam that he was still going to be identified.

I asked Calvin and Autumn if either of them had a driver's license or identification on them. Both stated they did not. Calvin mumbled something that I could not understand. I asked him to speak up and talk to me. Calvin then reiterated that "they were sorry." I asked Calvin what his first name was. Calvin stated it was "Vin" and then spelled it for me. I asked Calvin for his last name, which he started to spell as "DARAP" paused briefly then stated "DARDARA." I found this to be oddly spelled, I also noted that Calvin was still mumbling, not wanting to look at me. I confirmed the spelling with him saying back to Calvin that it was spelled "Dara." Calvin replied "yeah." I further got Calvin's date of birth as 01/27/2007-age 17, and a senior at Findlay Digital Academy.

I advised Calvin to call one of his parents right then. I then spoke to Autumn and confirmed her full name to be Autumn Pickney, with a date of birth of 12/07/2007, age 16, and a junior at Findlay High School. As I spoke to Autumn, I noticed Calvin stand up and start to walk away. I instructed Calvin not to go anywhere and stay right there. As I spoke to Autumn Ofcr Burkholder arrived on scene at that time.

FINDLAY POLICE DEPARTMENT

CASE REPORT

CASE # [REDACTED]

NARRATIVE (continuation)

I instructed Autumn to call one of her parents. Autumn stated she did not have a phone to call. At that time, Calvin was able to get who I believed was his mother on the phone. I did not get her identified at that time. I introduced myself over the phone and advised her that Calvin would be placed under arrest for drinking alcoholic beverages in the park. The mother stated something, but I did not understand her and the phone cut out at that time.

Kalvin also stated while I was on the phone, "What? I'm 17." Regarding my comment about him being arrested. Autumn started crying at that point and asked me if she could be taken to the hospital for mental health help. Autumn proceeded to pull up her sleeves and showed me what appeared to be old cut marks. I told Autumn that was something we could do, but we had to deal with this situation first.

As I spoke to Autumn, Calvin stated that his mom was back on the phone and handed it to me. I held the phone with my left hand as I spoke. I again explained the process to his mother and that she would need to meet me at the Findlay Police Department in approximately 30-40 minutes to pick Calvin up.

Kalvin was still standing up on my left side at the time. I still held the phone in my left hand and proceeded to get my handcuffs out with my right hand to place Calvin in handcuffs once I got off the phone. As I set the phone down, Calvin took off running southeast towards the railroad tracks. There was a visible path that led over the railroad tracks. I began to chase after Calvin. As Calvin was near the top of the railroad track, I was approximately 15-20 feet behind him. At that time, I saw two flashes of light and heard two sharp cracking sounds that appeared to be shots from a gun. I also know from my training and experience to feel the vibrations through the air of bullets flying to my left side.

Due to being shot at, protecting my life, the lives of the two juveniles behind me, and Ofcr Burkholder, I unholstered my department issued Glock 21 and fired approximately 7-8 times. I could still see Calvin running southbound through an open field toward a tree line. I had a clear view of Calvin's body and aimed center mass as I shot. Calvin disappeared out of my sight into the tree line, still running with the gun in his hand. I yelled out to Ofcr Burkholder that I had lost sight of him. I began to go into the open field with no cover, not sure where Calvin was at. As I began to clear the tree line I noticed what appeared to be Calvin lying on the ground at the base of a tree. It was starting to get dark outside at this time and visibility was becoming limited. As I moved closer, I could see that it was Calvin and heard him moaning.

FINDLAY POLICE DEPARTMENT

CASE REPORT

CASE [REDACTED]

NARRATIVE (continuation)

I advised that I had Calvin at gunpoint again to Ofcr Burkholder, who was still behind me at that point. I went wide left and put my gun light on Calvin so Ofcr Burkholder could see what I saw. Calvin's back was facing us with his head pointed toward the southwest and his feet toward the north east. I could not see the gun or his hands. Calvin was also lying in an area with many leaves making it difficult to see his complete body. I yelled at Calvin not to move. I could hear Calvin still moaning. I asked Ofcr Burkholder if he could see the weapon. Ofcr Burkholder stated he could not. I also began to direct responding units to get to our area and to get Hanco EMS to start our way. I also noted I could see at least one gunshot wound on Calvin's left leg. I also saw what appeared to be a large wound on Calvin's head that was bleeding profusely. I notified dispatch via radio of my observations.

I was also yelling at Calvin, asking where the gun was. I received no reply. Ofcr Burkholder was moving in closer and stated he could see the gun. We both moved in closer as Ofcr Burkholder holstered his weapon. I moved in, and put my right foot on Calvin's back with my duty weapon aimed in the middle of his back, and told him not to move. I could hear Kevin struggling to breath, gasping for air ar this point, which I know from my training and experience is known as agonal.

Ofcr Burkholder secured the handgun at that point. I immediately holstered my service weapon and immediately started to render medical aid to Calvin. There was another large bullet hole wound on Calvin's upper left chest.

Ofcr Stoner arrived on the scene first with his cruiser and got out medical supplies. A chest seal was placed on the chest wound, and Ofcr Burkholder and I worked to get a wrap on the lower left leg wound.

Sgt Lawrence and Ofcr Edinger arrived on the scene at this time. As they arrived, I took the handgun that Calvin used and placed it in Ofcr Stoner's cruiser to be secured as evidence.

Both checked me for any injuries, but none were found. I was assigned to stay with Ofcr Edinger. Ofcr Edinger and I placed crime scene tape and I directed him where the incident occurred. I was advised not to say anything further.

Ofcr Edinger took me back to station. Ofcr Edinger took my service weapon and took it as evidence. I waited and met with Ohio BCI before being released from the scene. This ended

FINDLAY POLICE DEPARTMENT

CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10/28/2024 at approximately 1849 hours, Officers advised a foot pursuit had started and shots had been fired over the radio. [REDACTED] and Officer Burkholder were investigating a liquor complaint involving juveniles at Bernard Park (1105 Bernard Av.).

I responded in emergency mode. While en route Officers on scene advised the suspect was shot and life saving measures were being provided. The suspect was near the dead end of McManness Av. just east of the railroad tracks which are by the park.

Sgt. Lawrence, Officer Stoner, and Officer Edinger were all on scene by the time I arrived. I went straight to the park near the playground where three juveniles were sitting on a park bench. The juveniles were already identified by another Officer. I told Jared Milledge, Samuel Milledge, and Autumn Pickney to stay sitting down on the bench. They complied and remained at the park bench. The juveniles began to tell me he just ran. I asked who just ran and was told Calvin Darapheth was the one who ran and that he was 17 years old. Autumn began to ramble and say they just got done talking to his mother and he just ran. The three began to ask if their friend was dead. I told the three I didn't know as I had just arrived.

I noticed several other juveniles begin to walk towards the park. One of the juveniles, identified as Knowledge White, walked up towards the playground and got into the playset. Knowledge grabbed several items that were up there and began to walk down. I asked Knowledge what he was doing. Knowledge told me he was picking up some belongings that were left there from earlier. Knowledge left his pants, Autumns blanket, and a pair of boxing gloves (belonging to another juvenile) in the playset. I told Knowledge the items needed to be left in the playground for the investigation and I ordered him to drop the items. Knowledge complied and walked back to a bench where other juveniles were sitting at.

I told the other arriving juveniles to stay back from the park. They sat down at a bench near the playset. I was informed by Jared that one of the juveniles was the brother to the Calvin. I approached the juveniles and identified them as Knowledge, Lucas Deal, and Vincet Kaedaeng. The three stated they were not at the park during the shooting and arrived after the fact. I told the three to remain where they were. Vincent claimed to be the suspects brother.

Another juvenile, identified as Carson Blackburn, also approached and asked if he could cross the railroad tracks to head home. I told Carson to stay where he was at for the moment. Carson then asked if he could walk towards his uncle who had also arrived in the area. I told Carson that was fine.

I approached Carson and his uncle, identified as Cierah Dillery. I asked Carson if he was in the park when everything happened. Carson told me he was sitting at a bench across from the

NARRATIVE (continuation)

three that were still there. Carson was with two females. Carson only knew the first name to one of the girls "Avah". Carson said his attention was to the girls when he heard shots being fired. He did not see anything else. I spoke to Carson's grandmother/guardian on the phone (Carrie Sparks) and told her Carson heard gunshots and there was an ongoing investigation. I told Carrie Officers may stop by later tonight to talk to her and Carson. I collected Carson's information and he was sent back home with Cierah.

I advised Sgt. Lawrence of the juveniles who arrived at the park after the shooting. I finished collecting parental information from Knowledge, Lucas and Vincet. I noticed a bicycle laying near Jared, Samuel, and Autumn. I asked Knowledge, Lucas, and Vincet who owned the bicycle. I was told it belonged to another juvenile named Adrian who left earlier. They didn't have any contact info for Aiden. The juveniles, Knowledge, Lucas, and Vincet were all released and walked away from the park after speaking with Sgt. Lawrence.

I remained with Autumn, Jared, and Samuel. I did not question either one about the shooting. They were making phone calls and made several comments to others how the suspect shot first and how he ran from the police. They also said if he was alive he would probably spend the rest of his life in prison for running from the police and shooting at them. They also commented on how this was Adrien's parents' fault for calling the police. These comments were not directed at me and were among the juveniles.

Additional officers arrived at the scene and I was asked to transport Autumn to the police department for BCI. Prior to transporting Autumn, she mentioned having the suspects sweater and cellphone. I told Autumn to leave those items on the bench table. I transported Autumn to the police station at approximately 1956 hours. Prior to transporting her I checked her pockets for weapons and none were located. I arrived to the police station at approximately 2003 hours. I walked Autumn to the booking room where I remained with her until a BCI detective arrived. I did not question Autumn about the shooting and provided her with restroom breaks as she needed. Autumn's stepmother, Nicole Turlington, was contacted and came to the police station.

At approximately 2254 hours, I turned over Autumn to a BCI detective.

This ended my involvement.

FINDLAY POLICE DEPARTMENT

CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10-28-2024 I received a page while off duty requesting midnight shift report to work early. I arrived and checked in with Sgt Lawrence #1224 who requested I come to the scene at Bernard Park.

I arrived in my patrol vehicle #661 and spoke with Sgt Lawrence who asked me to transport a male juvenile, Samuel A. Milledge to station and wait with him until BCI arrived. I transported the male to station and sat with him in the interview room in the report room with the door open.

I sat in the room with Samuel until the BCI detective came in with Samuel's mother, Maranda Rhodes to speak with him.

This ended my involvement.

FINDLAY POLICE DEPARTMENT

CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10/28/2024, officers on scene of a report of juveniles consuming alcoholic beverages at Bernard Park (1105 Bernard Ave) advised over the radio that they were pursuing a subject and reported shots being fired. I responded to the area in emergency mode and arrived at the park where I located two juveniles sitting at a picnic table. I spoke with the male juvenile, who stated his name was Samuel, and I asked him what happened and where the officers were. Samuel pointed to the south where I was able to see the flashing lights of a patrol vehicle. I asked Samuel what happened and he stated his friend Calvin was sitting at the table but was on the phone with Calvin's mom while [REDACTED] and Burkholder #274 were standing with them. After Calvin got off the phone, Samuel stated Calvin started running away and Samuel advised he heard multiple gunshots as Calvin was being chased by officers. At this time, Sgt Lawrence #1224 arrived on scene and I advised the juveniles to stay seated at the table until another officer arrived to stand with them.

Sgt Lawrence and I located [REDACTED] and Ofcr Burkholder #274 to the south of the park. Ofcr. Burkholder and Ofcr Stoner #2043 were rendering life-saving aid on a male subject, later identified as Calvin Darapheth, that appeared to have sustained a gunshot wound. I briefly spoke with [REDACTED] and Sgt Lawrence and it was discovered that [REDACTED] had been involved in an officer-involved shooting. At that point, Sgt Lawrence directed me to take [REDACTED] back to the FPD per department policy.

Once on station, I secured [REDACTED] duty weapon, unloaded it, and photographed it. The weapon was then placed in a temporary locker until I was later requested to retrieve it to provide to BCI agents. This ended my involvement.

CASE [REDACTED]

NARRATIVE

On October 28, 2024 around 2005 hrs. I responded to the entrance to Bernard Park on the corner of Winfield Ave and Parkside Place. I reported to Sgt Lawrence who requested a keep a crime scene log for the area. He also Ofcr. Davis was on scene on the railroad tracks and he was on the park area.

I began my log at 2005 hrs. with Sgt Lawrence inside. The log is as follows

- 2047 hrs. - BCI Agent Ryan Emahiser on scene
- 2050 hrs. - Ofcr Lafferty on scene, outside taped off area for scene security
- 2052 hrs. - BCI Agent Tiffany Najmulski on scene
- 2057 hrs. - BCI Agent Scott Stranahan on scene
- 2103 hrs. - BCI Agent Doug Burke on scene
- 2114 hrs. - BCI Agent Emily Miller on scene
- 2134 hrs. - BCI Agent Tiffany Najmulski off scene
- 2138 hrs. - BCI Agent Scott Stranahan off scene
- 2241 hrs. - BCI Agent Tiffany Najmulski on scene
- 2245 hrs. - Ofcr. Rutter on scene
- 2245 hrs. - Ofcr. Price On scene
- 2247 hrs. - Ofcr. Davis off scene
- 2256 hrs. - BCI Agent Sarah Taylor on scene
- 2316 hrs. - Ofcr. Price off scene
- 2320 hrs. - Ofcr. Davis on scene
- 0010 hrs. - BCI Agent Jason Snyder on scene
- 0011 hrs. - Ofcr. Frey on scene
- 0017 hrs. - BCI Agent Tiffany Najmulski off scene
- 0017 hrs. - BCI Agent Jason Snyder off scene
- 0025 hrs. - Ofcr Davis off scene
- 0042 hrs. - Ofcr. Rutter off scene
- 0042 hrs. - Ofcr. Frey off scene

At 0045 hrs. I was relieved from my post by Ofcr Lafferty. He was provided a copy of my scene log at that time. This ends my involvement.

CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10/28/2024 at 1902 hours I received a page to respond in to the Findlay Police Department. Once there I was directed to the area of Bernard Park. I arrived at the location and was requested by Sgt. Lawrence #1224 to place evidence tape around the perimeter of the park. The park was tapped off and then I was sent to the area of McManness Ave. and Balsley Ave. for a vehicle possibly struck by gunfire. At the location I tapped off the location from 920 McManness Ave. to 925 McManness Ave. The truck was located just north of 920. I observed a dent and scratch on the driver side panel behind the rear door. This dent did not appear to be caused by a round.

I then went to residence in the area to tell them their address was within the crime scene and to stay in doors. I went to 941 McManness Ave. I spoke to Rebecca Holtgreven. Rebecca stated that she had been home all day. Rebecca said that she heard bangs but thought it was fireworks. She said she never observed anything, and only heard it.

I then went to 930 McManness Ave. I spoke to Michael Tice, and Allyson Tice. Both stated they heard bangs but did not see anything.

I assisted BCI agents with the area search for evidence and it was collected by them.

This ended my involvement in this case.

CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10/28/2024 at approximately 1934hrs, I assisted on scene at the dead end of McManness Ave in the 900 block with securing the area. An individual approached me, identified as Roger Unverferth, and stated his black 2008 Ford F150 (OH Reg: GEH9834) had been struck by a bullet during the incident. The truck was located at 920 McManness Ave which is a daycare facility. Roger was there doing yard work since 1800hrs. The crime scene perimeter was expanded to the address of 920 McManness Ave across to 925 McManness Ave.

Two items of possible interest, later determined to not be of any evidentiary value and were discarded, were noticed near an AEP power pole (Pole #: 2517D3) near 925 McManness Ave.

A log for people within the crime scene was kept:

	IN	OUT
Ofcr Lehman #1233:	1945hrs	0233hrs
Ofcr Stoner #2043:	1851hrs	2257hrs
Ofcr Hackworth #868	2243hrs	0045hrs
Ofcr Warnimont #2355	1934hrs	0233hrs
Sgt Lawrence #1224	0124hrs	0155hrs
Joshua Artressia	2005hrs (resident of 933 McManness)	
Cassandra Keysor	2225hrs (resident of 933 McManness)	
Roger Unverferth	1800hrs	2017hrs

The crime scene was no longer active after 0233hrs when BCI personnel advised they were finished with their investigation in the area.

FINDLAY POLICE DEPARTMENT

CASE SUPPLEMENT REPORT

CASE [REDACTED]

NARRATIVE

On 10/27/24 I heard officers call out they were in foot pursuit of a suspect and shots were fired. I was aware these officers, [REDACTED] and Officer Burkholder 274 were on a underage consumption in the park at Bernard Park. I responded to the area to assist.

Upon my arrival I observed several juveniles in the playground area and multiple people across the railroad tracks to the east of the park. I began heading this direction looking for [REDACTED] and Burkholder. I met up with Officer Edinger 530 as he arrived as well.

Once I got to the scene, I observed [REDACTED] carrying in his fingers a handgun. This was found to belong to the suspect and was underneath him so they had to move it while they were working on the suspect. The gun was locked into Officer Stoner's vehicle directly at the scene. I located the suspect and I confirmed Officer Stoner 2043 and Officer Burkholder were providing lifesaving measures for gunshot wounds along with FFD (Findlay Fire Dept.) personnel. Hanco arrived on scene and they were advised of gunshots wounds and took over care. It was at this approx time that I confirmed this was a officer involved shooting.

I immediately went to [REDACTED] and asked if he was ok. I was informed the suspect had fired shots at officers. I told Officer Edinger to help me check [REDACTED] completely over to make sure he had not suffered any gunshots or injuries. At this time I told [REDACTED] to not talk to anyone and I ordered Officer Edinger to stay with him at all times and to not discuss anything. The suspect was then loaded in the ambulance. I told Officer Stoner to stay with this direct scene and to allow no one inside it. I told Officer Burkholder to go with the ambulance and stay with the suspect and not to leave.

I had Officers place police tape around this scene and confirmed again Officer Stoner was staying there and no one was to make entry. I called and made notification to Capt. Hendren 818. I then called and notified Officer D. Marshall 1322 of the incident.

I then went back to the tracks and the west side of the tracks and began to secure that as a crime scene as well. Several juveniles and people were located at the park and parking lot. I instructed Officer Hernandez 882 to identify them and then stand by with the juveniles at the picnic table that were possibly involved with the incident. Once I began receiving more officers I had Officer Lehman 1233 police tape the west side of the tracks and I also placed Officer Davis 450 on the tracks to preserve this scene. All units at the scene were advised to not search or collect any evidence and to just preserve the scenes for BCI&I.

The scenes were locked down at this time with only people that were involved with this incident. I called Officer Cooley 349 to the scene and had Officer Hernandez and him

transport the two juveniles to the PD to await BCI&I to interview them. Capt Hendren and I spoke to their parents who gave permission for this and they were advised they could go to the PD and wait for them or we would call them when they were done.

I stayed on scene until BCI&I arrived and turned the scene over to them. My officers and I stayed on scene, at each part of the crime scene to provide security and assistance when needed to BCI&I agents. Once BCI&I advised they were completed with everything and were ready to clear the scene, Officer Lehman and myself walked around the area to make sure everything was cleaned up as good as possible and no trash, tools, or biohazards were left. We then cleared and released the scene.

FINDLAY POLICE DEPARTMENT

CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10/28/2024 at 1849hrs, I was parked in my patrol vehicle at Bright Rd. and Pheasant Run monitoring traffic. I heard "shots fired" called out over the radio from either [REDACTED] or Ofcr. Burkholder #274. From their radio transmission, I heard what I believed to be gunfire in the background. [REDACTED] and Ofcr. Burkholder were both currently on scene at Bernard Park (1105 Bernard Ave.) for a underage juvenile alcohol violation. I immediately responded in emergency mode to their call for assistance.

While enroute, I heard Ofcr. Burkholder advise over the radio that the suspect had been shot and directed responding officers to take McManness Ave. and that they were directly north of the dead end at the end of the street. [REDACTED] advised over the radio there was one gunshot wound to the torso as well as a head wound. [REDACTED] advised over the radio he was beginning to provide first aid.

I responded to McManness Ave. and continued off road past the dead end into the field directly to the north. I followed the tree line until halfway out into the field where there was a break in the tree line. I observed [REDACTED] kneeling next to the suspect who was laying chest down on the ground. I also saw Ofcr. Burkholder was sprinting back towards our location with a red medical bag. I immediately removed my patrol vehicle's medical bag from the trunk of my cruiser and went over to assist with providing trauma care.

[REDACTED] assessing the injuries to the suspect when I got over to him. [REDACTED] showed me one gunshot wound to the suspects left side torso just slightly to the back and under the armpit area. The second wound [REDACTED] showed me was to the left side of the suspects head. I could see the majority of his head had blood on it. I could hear the suspect breathing agonally and determined the best course of action would be to treat the chest wound first.

We began to treat the chest wound of the suspect. Ofcr. Burkholder removed a chest seal from the trauma kit for me. I placed it on the upper left backside gunshot wound. Once the chest seal was placed, we rolled the suspect over and observed another gunshot wound to his upper left chest that appeared as if it was a entry/exit wound for the wound we just sealed. I placed my hand over the wound to help seal it while [REDACTED] readied another chest seal for me. I placed the second chest seal on the suspect and noticed improvement in his breathing.

I began checking the head wound to the suspect and found what appeared to be a gunshot wound on the left side of his head a couple inches above his ear. While holding the suspects head, I felt swelling on the back side of his head and another possible wound on the backside. At this time the Findlay Fire Department arrived on scene and their firefighters began assisting

NARRATIVE (continuation)

us with providing aid. I informed them of the known injuries and the treatment provided up until this point. I asked them to get Ofcr. Burkholder a pair of trauma shears to cut the suspects pants off to check for additional injuries. I maintained pressure to the head wounds with my hands while the firefighter was able to remove trauma dressing to place over the head wounds. We located a second gunshot wound on the right side of the suspects head which may have been the entry/exit wound from the left sides wound. The firefighter and I were able to apply trauma dressing to the suspects head which I continued to hold onto and apply pressure on the wounds.

While we were treating the suspect, [REDACTED] secured the suspect's firearm in my cruiser. It was placed on the right front passenger floor board. This was the best place for the firearm due to the scene getting dark, leaves completely covering the ground, and the amount of first responders providing trauma care in the area.

Ofcr. Burkholder was able to locate another gunshot wound to the suspects waist area after he cut the suspects pants off with the trauma shears. Ofcr. Burkholder began providing trauma care for that wound.

Hanco EMS arrived on scene and we relayed to them where the wounds were and the care that had been provide up to this point.

We lifted the suspect on to Hanco's gurney and he was moved to their ambulance to provide additional treatment. I removed and left my blue nitrile gloves which I had used while treating the suspect, and left them on the ground at the scene.

I noticed there was blood from the suspect on my right wrist and and I went to the ambulance and cleaned it off with hand sanitizer. I also took with me the Findlay Fire Department's medical bags to return to them since they are a necessary item for them to have for their duties.

I went back to my patrol vehicle which Sgt. Lawrence #1224 was next to. Sgt. Lawrence was in the process of organizing where everyone needed to be for the time being until the off duty officers he requested could arrive to assist. Sgt. Lawrence continued to make the needed command staff notifications, organize locking down the large scene, requesting mutual aid from the Hancock County Sheriff's Office to handle calls, and having dispatch contact the railroad company to stop train traffic.

[REDACTED] and Ofcr. Edinger #530 together had began using yellow police crime scene tape to tape off the area of the crime scene. I took over for them so Ofcr. Edinger could clear

NARRATIVE (continuation)

[REDACTED] from the scene.

I went back to speak with Sgt. Lawrence who told me to hold the scene and restrict access to the scene aside from anyone involved in the investigation. I stayed at the scene standing outside of my patrol vehicle to monitor the scene and the area where the suspect had been laying. I did get in and out of my patrol vehicle a few times while on scene to get my jacket, get into my patrol bag, or turn off emergency lights. Any time I opened my cruiser door to access the inside, I did not touch or move the suspect's firearm in anyway. I did observe the firearm was a black semi-automatic pistol.

At no point while I was holding the scene did anyone enter the scene. The first persons to enter the scene were the Ohio Bureau of Criminal Investigation Agents who were handling the investigation. When they arrived they took over the scene and relieved me of my duties.

The BCI Agents photographed my pant leg that had some blood on it and began to photograph my cruiser. I told them the suspect's firearm was located on my right front passenger floor board and that I had not touched or moved the firearm at all. They photographed the firearm and collected it as evidence. After my cruiser was photographed and processed, they released it from the scene and allowed me to drive it out of the taped off area.

Sgt. Lawrence advised me at this time to return to station for the night.

I cleared the call and ended my involvement in the investigation.

FINDLAY POLICE DEPARTMENT
CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10-28-2024, at approximately 1832 hours, [REDACTED] and I were dispatched to Bernard Park 1105 Bernard Ave. for a report of three people consuming what appeared to be alcoholic beverages in the park. The caller also advised the three individuals appeared to be juveniles.

[REDACTED] had arrived on scene a few minutes before me and had made contact with the individuals, who were identified as Calvin Darapheth (17YOA), Autumn Pickney (16YOA) and Samuel Milledge (13YOA). There were several glass bottles of alcoholic beverages on the picnic table they were sitting at. There were at least two bottles that were empty. [REDACTED] was working on gathering information for Calvin and Autumn so I began getting information for Samuel.

Samuel stated he had just gotten to the park and Calvin and Autumn already had the alcoholic beverages before he got there. He did not know they had them and just got there to hang out just before [REDACTED] did. Samuel was being disrespectful to [REDACTED] when we first began asking for information but calmed down and began cooperating as we talked further. After I collected Samuel's information, [REDACTED] and I began collecting the alcoholic beverages and a vape from the table. We placed them in [REDACTED] patrol vehicle and [REDACTED] began trying to make contact with Calvin's mother. Autumn did not have a phone so we were going to call her when we got to the Findlay PD. Samuel was going to be released from the scene, but was still there as Calvin's phone only worked using WIFI and we were using Samuel's phone as a hot spot for [REDACTED] to make the phone call. I was standing next to [REDACTED] as he was on the phone on the southwest side of the picnic table. Samuel was sitting on the north side of the picnic table and I realized I had not gotten his address.

As [REDACTED] was talking with Calvin's mother, the hot spot turned off by accident and the call was dropped. [REDACTED] talked with Calvin's mother again when she called back. I walked around the picnic table to the north side so I could speak with Samuel to get his address and not have to yell across everyone else talking. Autumn began asking if we could take her to the hospital for a prescreen as she needed mental health help and pulled her left sweatshirt sleeve up. When she did so, she revealed multiple superficial cuts on her arm. We explained to her once we went to the Findlay PD and finished what we needed to do for the investigation we would get her to the hospital. Autumn calmed down and agreed with this and then pulled a second vape from her pocket. She handed it to me and said she had forgotten

about it but wanted to be honest. As I was collecting the vape after getting Samuel's address, [REDACTED] had just finished explaining to Calvin's mother he was going to be arrested for underage alcohol possession and she could come pick him up at the Findlay PD.

[REDACTED] removed his handcuffs to secure Calvin in them. Before [REDACTED] actually tried to secure Calvin in the handcuffs, Calvin took off running to the southeast towards the railroad tracks. As Calvin was running, he was facing away from us and had his hands towards the front of his waistband. Calvin then turned to his right and then continued turning until he was facing backwards. He was holding what appeared to be a black semi automatic handgun and began firing the handgun towards [REDACTED] in the northwest direction. Calvin fired two shots as he was running and then went over the railroad tracks into the open grass area between the railroad tracks and the dead end at the north end of McManness Ave. [REDACTED] began advancing after Calvin and in the process returned eight shots with his department issued Glock 21 handgun. I stayed with Autumn and Samuel to make sure they had not been injured as well as to ensure they were not also going to produce any weapons. Both Samuel and Autumn were not physically injured and neither acted as though they were going to try to react or retaliate towards [REDACTED] or myself. I ordered them to stay at the picnic table so I could assist [REDACTED] in going after Calvin. As I approached the railroad tracks and crossed them, [REDACTED] advised he could not see Calvin any longer and believed he was in the tree line that ran north and south between McManness Ave. and the railroad tracks. He was not sure if Calvin had been struck or injured. I advised dispatch over the radio shots had been fired.

I then drew my department issued Glock 21 handgun to assist in searching the treeline for Calvin. As I went to the west side of the tree line, [REDACTED] remained on the east side. We began to advance forward (south) and were going to try to stay even as we walked to prevent any crossfire issues. As we walked the first couple feet, [REDACTED] advised he could see Calvin laying down in the trees. I went back around to the east side of the tree line and we began advancing together towards where Calvin was laying. As we got closer, I could see Calvin was laying face down and was laying on both of his arms. We also could not see the firearm. [REDACTED] and I began giving Calvin commands to show us his hands. He was not responding and we also commanded him to throw the firearm away. Calvin was still not responding. I could hear Calvin moaning but he was not moving or responding to any of our commands. [REDACTED] was closer to Calvin's head and I was closer to his feet. As we continued advancing, I saw the firearm was on the ground near Calvin's left hip. I saw neither

of his hands were near it. I informed [REDACTED] I could see the firearm. Since we could also see Calvin was in fact wounded and in need of medical care, we communicated we would secure the firearm and then get Calvin aid. Hanco EMS was requested and instructed how to get to us since we were no longer at Bernard Park and the tracks would cause an unnecessary obstacle.

[REDACTED] remained with lethal cover while I approached Calvin and removed the firearm from his reach. I rendered the firearm safe by ejecting the magazine and the chambered live round. I placed the firearm on the ground approximately 10 feet from Calvin. I then made sure [REDACTED] was okay to which he stated he was. I then ran to my patrol vehicle to get the first aid kit containing supplies to treat gunshot wounds and ran back with the bag. As I was doing so, Autumn and Samuel were still at the picnic table and I again instructed them to stay there and told them another officer would come and speak with them.

As I returned back with [REDACTED] and Calvin, Ofcr. Stoner (2043) had also arrived on scene. [REDACTED] secured Calvin's firearm in Ofcr. Stoner's patrol vehicle while Ofcr. Stoner and I began rendering first aid to Calvin by applying chest seals to a gunshot wound on Calvin's left shoulder and chest. I also applied a bandage to a gunshot wound on the rear of Calvin's right hip while Ofcr. Stoner and [REDACTED] were attempting to apply bandages to Calvin's head. As we were rendering aid, Ofcr. Hernandez (882) and Ofcr. Edinger (530) arrived on scene. Ofcr. Hernandez remained with Autumn and Samuel and Ofcr. Edinger came and assisted [REDACTED]

Sgt. Lawrence (1224) had arrived on scene as well. As Calvin was getting loaded for transport by Hanco, Sgt. Lawrence instructed me to ride with Hanco to Blanchard Valley Hospital and remain with Calvin until another officer could come and relieve me. I rode in the ambulance to Blanchard Valley Hospital, where Calvin was placed in ER room 2. I remained with Calvin during his time in room 2 as well as when he was taken to CT scan. While in CT scan, Ofcr. Collins (494) arrived at Blanchard Valley Hospital. At this time, Ofcr. Collins was informed to tell me I could stop recording with my body worn camera at this time. I remained with Ofcr. Collins in room 2 until Captain Hendren (818) came to Blanchard Valley Hospital and took me back to the Findlay PD.

Once at the Findlay PD, I ended my involvement.

Vehicle # 1

Type: Passenger Car Year: 2008 Make: Ford Model: F-150
 Color: Black License Plate: GEH9834 State: OH
 Date/Time: 10/29/2024 04:40 Location:

On 10/28/2024 at approximately 1828hrs Ofcr Burkholder and I were dispatched to 1105 Bernard Park for three juveniles drinking alcoholic beverages at the park. It found the juveniles were located at a park bench on the south side of the park.

I arrived first at the park and could see what appeared to be three juveniles sitting at a park bench on the south side of the park. I could also see what appeared to be multiple wine cooler bottles under the park bench table at the juvenile's feet. As I got out and approached I could clearly read the label on the bottles to say "Seagram's." I know from my training and experience for this to be an alcoholic beverage.

I advised the three juveniles, later identified as Calvin Darapheth, Autumn Pickney, and Sam Milledge, that I was there for a complaint of juveniles drinking alcohol in the park. I asked the juveniles if that's what they were doing. No one answered me. I noted that Calvin was sitting on the south side of the bench facing the north, Autumn was also on the south side of the bench facing Calvin, and Sam was sitting on the north side facing Calvin. I also saw Autumn shove something orange in her pocket as I walked up. I asked Autumn at that time what she shoved in her pocket. Autumn pulled out an orange vape pen, held it up and stated it was a vape.

I told the juveniles to start handing me the bottles that were located at their feet. I could see 1-2 bottles already empty and one bottle that was approximately half way empty. I asked how old they all were. Sam replied that he was 13 years old, Sam further stated that he had just arrived and had not been drinking. I told Sam that he was still going to be identified.

I asked Calvin and Autumn if either of them had a driver's license or identification on them. Both stated they did not. Calvin mumbled something that I could not understand. I asked him to speak up and talk to me. Calvin then reiterated that "they were sorry." I asked Calvin what his first name was. Calvin stated it was "Vin" and then spelled it for me. I asked Calvin for his last name, which he started to spell as "DARAP" paused briefly then stated "DARDARA." I found this to be oddly spelled, I also noted that Calvin was still mumbling, not wanting to look at me. I confirmed the spelling with him saying back to Calvin that it was spelled "Dara." Calvin replied "yeah." I further got Calvin's date of birth as 01/27/2007-age 17, and a senior at Findlay Digital Academy.

I advised Calvin to call one of his parents right then. I then spoke to Autumn and confirmed her full name to be Autumn Pickney, with a date of birth of 12/07/2007, age 16, and a junior at Findlay High School. As I spoke to Autumn, I noticed Calvin stand up and start to walk away. I instructed Calvin not to go anywhere and stay right there. As I spoke to Autumn Ofcr Burkholder arrived on scene at that time.

I instructed Autumn to call one of her parents. Autumn stated she did not have a phone to call. At that time, Calvin was able to get who I believed was his mother on the phone. I did not get her identified at that time. I introduced myself over the phone and advised her that Calvin would be placed under arrest for drinking alcoholic beverages in the park. The mother stated something, but I did not understand her and the phone cut out at that time.

Kalvin also stated while I was on the phone, "What? I'm 17." Regarding my comment about him being arrested. Autumn started crying at that point and asked me if she could be taken to the hospital for mental health help. Autumn proceeded to pull up her sleeves and showed me what appeared to be old cut marks. I told Autumn that was something we could do, but we had to deal with this situation first.

As I spoke to Autumn, Calvin stated that his mom was back on the phone and handed it to me. I held the phone with my left hand as I spoke. I again explained the process to his mother and that she would need to meet me at the Findlay Police Department in approximately 30-40 minutes to pick Calvin up.

Kalvin was still standing up on my left side at the time. I still held the phone in my left hand and proceeded to get my handcuffs out with my right hand to place Calvin in handcuffs once I got off the phone. As I set the phone down, Calvin took off running southeast towards the railroad tracks. There was a visible path that led over the railroad tracks. I began to chase after Calvin. As Calvin was near the top of the railroad track, I was approximately 15-20 feet behind him. At that time, I saw two flashes of light and heard two sharp cracking sounds that appeared to be shots from a gun. I also know from my training and experience to feel the vibrations through the air of bullets flying to my left side.

Due to being shot at, protecting my life, the lives of the two juveniles behind me, and Ofcr Burkholder, I unholstered my department issued Glock 21 and fired approximately 7-8 times. I could still see Calvin running southbound through an open field toward a tree line. I had a clear view of Calvin's body and aimed center mass as I shot. Calvin disappeared out of my sight into the tree line, still running with the gun in his hand. I yelled out to Ofcr Burkholder that I had lost sight of him. I began to go into the open field with no cover, not sure where Calvin was at. As I began to clear the tree line I noticed what appeared to be Calvin lying on the ground at the base of a tree. It was starting to get dark outside at this time and visibility was becoming limited. As I moved closer, I could see that it was Calvin and heard him moaning.

I advised that I had Calvin at gunpoint again to Ofcr Burkholder, who was still behind me at that point. I went wide left and put my gun light on Calvin so Ofcr Burkholder could see what I saw. Calvin's back was facing us with his head pointed toward the southwest and his feet toward the north east. I could not see the gun or his hands. Calvin was also lying in an area with many leaves making it difficult to see his complete body. I yelled at Calvin not to move. I could hear Calvin still moaning. I asked Ofcr Burkholder if he could see the weapon. Ofcr Burkholder stated he could not. I also began to direct responding units to get to our area and to get Hanco EMS to start our way. I also noted I could see at least one gunshot wound on Calvin's left leg. I also saw what appeared to be a large wound on Calvin's head that was bleeding profusely. I notified dispatch via radio of my observations.

I was also yelling at Calvin, asking where the gun was. I received no reply. Ofcr Burkholder was moving in closer and stated he could see the gun. We both moved in closer as Ofcr Burkholder holstered his weapon. I moved in, and put my right foot on Calvin's back with my duty weapon aimed in the middle of his back, and told him not to move. I could hear Kevin struggling to breath, gasping for air at this point, which I know from my training and experience is known as agonal.

Ofcr Burkholder secured the handgun at that point. I immediately holstered my service weapon and immediately started to render medical aid to Calvin. There was another large bullet hole wound on Calvin's upper left chest.

Ofcr Stoner arrived on the scene first with his cruiser and got out medical supplies. A chest seal was placed on the chest wound, and Ofcr Burkholder and I worked to get a wrap on the lower left leg wound.

Sgt Lawrence and Ofcr Edinger arrived on the scene at this time. As they arrived, I took the handgun that Calvin used and placed it in Ofcr Stoner's cruiser to be secured as evidence.

Both checked me for any injuries, but none were found. I was assigned to stay with Ofcr Edinger. Ofcr Edinger and I placed crime scene tape and I directed him where the incident occurred. I was advised not to say anything further.

Ofcr Edinger took me back to station. Ofcr Edinger took my service weapon and took it as evidence. I waited and met with Ohio BCI before being released from the scene. This ended my initial involvement.

[REDACTED]

On 11/08/2024 I completed my Ohio BCI interview of the incident.

FINDLAY POLICE DEPARTMENT

CASE REPORT

CASE [REDACTED]

NARRATIVE

On 10/28/2024 at approximately 1828hrs Ofcr Burkholder and I were dispatched to 1105 Bernard Park for three juveniles drinking alcoholic beverages at the park. It found the juveniles were located at a park bench on the south side of the park.

I arrived first at the park and could see what appeared to be three juveniles sitting at a park bench on the south side of the park. I could also see what appeared to be multiple wine cooler bottles under the park bench table at the juvenile's feet. As I got out and approached I could clearly read the label on the bottles to say "Seagram's." I know from my training and experience for this to be an alcoholic beverage.

I advised the three juveniles, later identified as Calvin Darapheth, Autumn Pickney, and Sam Milledge, that I was there for a complaint of juveniles drinking alcohol in the park. I asked the juveniles if that's what they were doing. No one answered me. I noted that Calvin was sitting on the south side of the bench facing the north, Autumn was also on the south side of the bench facing Calvin, and Sam was sitting on the north side facing Calvin. I also saw Autumn shove something orange in her pocket as I walked up. I asked Autumn at that time what she shoved in her pocket. Autumn pulled out an orange vape pen, held it up and stated it was a vape.

I told the juveniles to start handing me the bottles that were located at their feet. I could see 1-2 bottles already empty and one bottle that was approximately half way empty. I asked how old they all were. Sam replied that he was 13 years old, Sam further stated that he had just arrived and had not been drinking. I told Sam that he was still going to be identified.

I asked Calvin and Autumn if either of them had a driver's license or identification on them. Both stated they did not. Calvin mumbled something that I could not understand. I asked him to speak up and talk to me. Calvin then reiterated that "they were sorry." I asked Calvin what his first name was. Calvin stated it was "Vin" and then spelled it for me. I asked Calvin for his last name, which he started to spell as "DARAP" paused briefly then stated "DARDARA." I found this to be oddly spelled, I also noted that Calvin was still mumbling, not wanting to look at me. I confirmed the spelling with him saying back to Calvin that it was spelled "Dara." Calvin replied "yeah." I further got Calvin's date of birth as 01/27/2007-age 17, and a senior at Findlay Digital Academy.

I advised Calvin to call one of his parents right then. I then spoke to Autumn and confirmed her full name to be Autumn Pickney, with a date of birth of 12/07/2007, age 16, and a junior at Findlay High School. As I spoke to Autumn, I noticed Calvin stand up and start to walk away. I instructed Calvin not to go anywhere and stay right there. As I spoke to Autumn Ofcr Burkholder arrived on scene at that time.

FINDLAY POLICE DEPARTMENT

CASE REPORT

CASE [REDACTED]

NARRATIVE (continuation)

I instructed Autumn to call one of her parents. Autumn stated she did not have a phone to call. At that time, Calvin was able to get who I believed was his mother on the phone. I did not get her identified at that time. I introduced myself over the phone and advised her that Calvin would be placed under arrest for drinking alcoholic beverages in the park. The mother stated something, but I did not understand her and the phone cut out at that time.

Kalvin also stated while I was on the phone, "What? I'm 17." Regarding my comment about him being arrested. Autumn started crying at that point and asked me if she could be taken to the hospital for mental health help. Autumn proceeded to pull up her sleeves and showed me what appeared to be old cut marks. I told Autumn that was something we could do, but we had to deal with this situation first.

As I spoke to Autumn, Calvin stated that his mom was back on the phone and handed it to me. I held the phone with my left hand as I spoke. I again explained the process to his mother and that she would need to meet me at the Findlay Police Department in approximately 30-40 minutes to pick Calvin up.

Kalvin was still standing up on my left side at the time. I still held the phone in my left hand and proceeded to get my handcuffs out with my right hand to place Calvin in handcuffs once I got off the phone. As I set the phone down, Calvin took off running southeast towards the railroad tracks. There was a visible path that led over the railroad tracks. I began to chase after Calvin. As Calvin was near the top of the railroad track, I was approximately 15-20 feet behind him. At that time, I saw two flashes of light and heard two sharp cracking sounds that appeared to be shots from a gun. I also know from my training and experience to feel the vibrations through the air of bullets flying to my left side.

Due to being shot at, protecting my life, the lives of the two juveniles behind me, and Ofcr Burkholder, I unholstered my department issued Glock 21 and fired approximately 7-8 times. I could still see Calvin running southbound through an open field toward a tree line. I had a clear view of Calvin's body and aimed center mass as I shot. Calvin disappeared out of my sight into the tree line, still running with the gun in his hand. I yelled out to Ofcr Burkholder that I had lost sight of him. FPD Case [REDACTED] Page 5 Of 5

On 10/28/2024 at approximately 1849 hours. Officers advised a foot pursuit had started and shots had been fired over the radio [REDACTED] and Officer Burkholder were investigating a liquor complaint involving juveniles at Bernard Park (1105 Bernard Av.).

I responded in emergency mode. While en route Officers on scene advised the suspect was shot and life saving measures were being provided. The suspect was near the dead end of McManness Av. just east of the railroad tracks which are by the park.

Sgt. Lawrence, Officer Stoner, and Officer Edinger were all on scene by the time I arrived. I went straight to the park near the playground where three juveniles were sitting on a park bench. The juveniles were already identified by another Officer. I told Jared Milledge, Samuel Milledge, and Autumn Pickney to stay sitting down on the bench. They complied and remained at the park bench. The juveniles began to tell me he just ran. I asked who just ran and was told Kalvin Darapheth was the one who ran and that he was 17 years old. Autumn began to ramble and say they just got done talking to his mother and he just ran. The three began to ask if their friend was dead. I told the three I didn't know as I had just arrived.

I noticed several other juveniles begin to walk towards the park. One of the juveniles, identified as Knowledge White, walked up towards the playground and got into the playset. Knowledge grabbed several items that were up there and began to walk down. I asked Knowledge what he was doing. Knowledge told me he was picking up some belongings that were left there from earlier. Knowledge left his pants, Autumn's blanket, and a pair of boxing gloves (belonging to another juvenile) in the playset. I told Knowledge the items needed to be left in the playground for the investigation and I ordered him to drop the items. Knowledge complied and walked back to a bench where other juveniles were sitting at.

I told the other arriving juveniles to stay back from the park. They sat down at a bench near the playset. I was informed by Jared that one of the juveniles was the brother to the Kalvin. I approached the juveniles and identified them as Knowledge, Lucas Deal, and Vincet Kaedaeng. The three stated they were not at the park during the shooting and arrived after the fact. I told the three to remain where they were. Vincent claimed to be the suspects brother.

Another juvenile, identified as Carson Blackburn, also approached and asked if he could cross the railroad tracks to head home. I told Carson to stay where he was at for the moment. Carson then asked if he could walk towards his uncle who had also arrived in the area. I told Carson that was fine.

I approached Carson and his uncle, identified as Cierah Dillery. I asked Carson if he was in the park when everything happened. Carson told me he was sitting at a bench across from the three that were still there. Carson was with two females. Carson only knew the first name to one of the girls "Avah". Carson said his attention was to the girls when he heard shots being fired. He did not see anything else. I spoke to Carson's grandmother/guardian on the phone (Carrie Sparks) and told her Carson heard

gunshots and there was an ongoing investigation. I told Carrie Officers may stop by later tonight to talk to her and Carson. I collected Carson's information and he was sent back home with Cierah.

I advised Sgt. Lawrence of the juveniles who arrived at the park after the shooting. I finished collecting parental information from Knowledge, Lucas and Vincet. I noticed a bicycle laying near Jared, Samuel, and Autumn. I asked Knowledge, Lucas, and Vincet who owned the bicycle. I was told it belonged to another juvenile named Adrian who left earlier. They didn't have any contact info for Aiden. The juveniles, Knowledge, Lucas, and Vincet were all released and walked away from the park after speaking with Sgt. Lawrence.

I remained with Autumn, Jared, and Samuel. I did not question either one about the shooting. They were making phone calls and made several comments to others how the suspect shot first and how he ran from the police. They also said if he was alive he would probably spend the rest of his life in prison for running from the police and shooting at them. They also commented on how this was Adrien's parents' fault for calling the police. These comments were not directed at me and were among the juveniles.

Additional officers arrived at the scene and I was asked to transport Autumn to the police department for BCI. Prior to transporting Autumn, she mentioned having the suspects sweater and cellphone. I told Autumn to leave those items on the bench table. I transported Autumn to the police station at approximately 1956 hours. Prior to transporting her I checked her pockets for weapons and none were located. I arrived to the police station at approximately 2003 hours. I walked Autumn to the booking room where I remained with her until a BCI detective arrived. I did not question Autumn about the shooting and provided her with restroom breaks as she needed. Autumn's stepmother, Nicole Turlington, was contacted and came to the police station.

At approximately 2254 hours, I turned over Autumn to a BCI detective.

This ended my involvement.

On 10-28-2024 I received a page while off duty requesting midnight shift report to work early. I arrived and checked in with Sgt Lawrence #1224 who requested I come to the scene at Bernard Park.

I arrived in my patrol vehicle #661 and spoke with Sgt Lawrence who asked me to transport a male juvenile, Samuel A. Milledge to station and wait with him until BCI arrived. I transported the male to station and sat with him in the interview room in the report room with the door open.

I sat in the room with Samuel until the BCI detective came in with Samuel's mother, Maranda Rhodes to speak with him.

This ended my involvement.

FPD Case Sup [REDACTED]

Page 2 OF 2

On 10/28/2024, officers on scene of a report of juveniles consuming alcoholic beverages at Bernard Park (1105 Bernard Ave) advised over the radio that they were pursuing a subject and reported shots being fired. I responded to the area in emergency mode and arrived at the park where I located two juveniles sitting at a picnic table. I spoke with the male juvenile, who stated his name was Samuel, and I asked him what happened and where the officers were. Samuel pointed to the south where I was able to see the flashing lights of a patrol vehicle. I asked Samuel what happened and he stated his friend Calvin was sitting at the table but was on the phone with Calvin's mom while [REDACTED] and Burkholder #274 were standing with them. After Calvin got off the phone, Samuel stated Calvin started running away and Samuel advised he heard multiple gunshots as Calvin was being chased by officers. At this time, Sgt Lawrence #1224 arrived on scene and I advised the juveniles to stay seated at the table until another officer arrived to stand with them.

Sgt Lawrence and I located [REDACTED] and Ofcr Burkholder #274 to the south of the park. Ofcr. Burkholder and Ofcr Stoner #2043 were rendering life-saving aid on a male subject, later identified as Calvin Darapheth, that appeared to have sustained a gunshot wound. I briefly spoke with [REDACTED] and Sgt Lawrence and it was discovered that [REDACTED] had been involved in an officer-involved shooting. At that point, Sgt Lawrence directed me to take [REDACTED] back to the FPD per department policy.

Once on station, I secured [REDACTED] duty weapon, unloaded it, and photographed it. The weapon was then placed in a temporary locker until I was later requested to retrieve it to provide to BCI agents. This ended my involvement.

10/31/2024

On 10/28/2024 at 1902 hours I received a page to respond in to the Findlay Police Department. Once there I was directed to the area of Bernard Park. I arrived at the location and was requested by Sgt. Lawrence #1224 to place evidence tape around the perimeter of the park. The park was tapped off and then I was sent to the area of McManness Ave. and Balsley Ave. for a vehicle possibly struck by gunfire. At the location I tapped off the location from 920 McManness Ave. to 925 McManness Ave. The truck was located just north of 920. I observed a dent and scratch on the driver side panel behind the rear door. This dent did not appear to be caused by a round.

I then went to residence in the area to tell them their address was within the crime scene and to stay in doors. I went to 941 McManness Ave. I spoke to Rebecca Holtgreven. Rebecca stated that she had been home all day. Rebecca said that she heard bangs but thought it was fireworks. She said she never observed anything, and only heard it.

I then went to 930 McManness Ave. I spoke to Michael Tice, and Allyson Tice. Both stated they heard bangs but did not see anything.

I assisted BCI agents with the area search for evidence and it was collected by them.

This ended my involvement in this case.

OfficerID: cof\mwarnimont, Narrative

On 10/28/2024 at approximately 1934hrs, I assisted on scene at the dead end of McManness Ave in the 900 block with securing the area. An individual approached me, identified as Roger Unverferth, and stated his black 2008 Ford F150 (OH Reg: GEH9834) had been struck by a bullet during the incident. The truck was located at 920 McManness Ave which is a daycare facility. Roger was there doing yard work since 1800hrs. The crime scene perimeter was expanded to the address of 920 McManness Ave across to 925 McManness Ave.

Two items of possible interest, later determined to not be of any evidentiary value and were discarded, were noticed near an AEP power pole (Pole #: 2517D3) near 925 McManness Ave.

A log for people within the crime scene was kept:

	IN	OUT
Ofcr Lehman #1233:	1945hrs to 0233hrs	
Ofcr Stoner #2043:	1851hrs to 2257hrs	
Ofcr Hackworth #868	2243hrs to 0045hrs	
Ofcr Warnimont #2355	1934hrs to 0233hrs	
Sgt Lawrence #1224	0124hrs to 0155hrs	
Joshua Artressia	2005hrs (resident of 933 McManness)	
Cassandra Keysor	2225hrs (resident of 933 McManness)	
Roger Unverferth	1800hrs to 2017hrs	

The crime scene was no longer active after 0233hrs when BCI personnel advised they were finished with their investigation in the area.

CASE

NARRATIVE

On 10/28/2024 at approximately 1934hrs, I assisted on scene at the dead end of McManness Ave in the 900 block with securing the area. An individual approached me, identified as Roger Unverferth, and stated his black 2008 Ford F150 (OH Reg: GEH9834) had been struck by a bullet during the incident. The truck was located at 920 McManness Ave which is a daycare facility. Roger was there doing yard work since 1800hrs. The crime scene perimeter was expanded to the address of 920 McManness Ave across to 925 McManness Ave.

Two items of possible interest, later determined to not be of any evidentiary value and were discarded, were noticed near an AEP power pole (Pole #: 2517D3) near 925 McManness Ave.

A log for people within the crime scene was kept:

	IN	OUT
Ofcr Lehman #1233:	1945hrs	0233hrs
Ofcr Stoner #2043:	1851hrs	2257hrs
Ofcr Hackworth #868	2243hrs	0045hrs
Ofcr Warnimont #2355	1934hrs	0233hrs
Sgt Lawrence #1224	0124hrs	0155hrs
Joshua Artressia	2005hrs (resident of 933 McManness)	
Cassandra Keysor	2225hrs (resident of 933 McManness)	
Roger Unverferth	1800hrs	2017hrs

The crime scene was no longer active after 0233hrs when BCI personnel advised they were finished with their investigation in the area.

On 10/29/2024 at 1615 hours, I spoke with Nichole Ansel via phone. Nichole advised she witnessed the juveniles on 10/28/2024 with alcoholic beverages sitting at their picnic table. Nichole advised she had captured a photograph of the incident with her phone, and was willing to provide the photograph as evidence. A community request was sent to Nichole via evidence.com.

I received Nichole's photo at 1620 hours. The photograph shows three individuals who appear to be juveniles. Two juveniles are sitting at a picnic table with 2 bottles of Smirnoff sitting within reach on the table. The third juvenile is sitting on a bicycle with no alcoholic beverages within reach. 2 more bottles can be observed underneath the feet of the two juveniles at the picnic table.

This ends my involvement.

FPD Case Sup

2 OF 2

On 10/27/24 I heard officers call out the [REDACTED] of a suspect and shots were fired. I was aware these officers, [REDACTED] and Officer Burkholder 274 were on a underage consumption in the park at Bernard Park. I responded to the area to assist.

Upon my arrival I observed several juveniles in the playground area and multiple people across the railroad tracks to the east of the park. I began heading this direction looking for [REDACTED] and Burkholder. I met up with Officer Edinger 530 as he arrived as well.

Once I got to the scene, I observed [REDACTED] carrying in his fingers a handgun. This was found to belong to the suspect and was underneath him so they had to move it while they were working on the suspect. The gun was locked into Officer Stoner's vehicle directly at the scene. I located the suspect and I confirmed Officer Stoner 2043 and Officer Burkholder were providing lifesaving measures for gunshot wounds along with FFD (Findlay Fire Dept.) personnel. Hanco arrived on scene and they were advised of gunshot wounds and took over care. It was at this approx time that I confirmed this was a officer involved shooting.

I immediately went to [REDACTED] and asked if he was ok. I was informed the suspect had fired shots at officers. I told Officer Edinger to help me check [REDACTED] completely over to make sure he had not suffered any gunshots or injuries. At this time I told [REDACTED] to not talk to anyone and I ordered Officer Edinger to stay with him at all times and to not discuss anything. The suspect was then loaded in the ambulance. I told Officer Stoner to stay with this direct scene and to allow no one inside it. I told Officer Burkholder to go with the ambulance and stay with the suspect and not to leave.

I had Officers place police tape around this scene and confirmed again Officer Stoner was staying there and no one was to make entry. I called and made notification to Capt. Hendren 818. I then called and notified Officer D. Marshall 1322 of the incident.

I then went back to the tracks and the west side of the tracks and began to secure that as a crime scene as well. Several juveniles and people were located at the park and parking lot. I instructed Officer Hernandez 882 to identify them and then stand by with the juveniles at the picnic table that were possibly involved with the incident. Once I began receiving more officers I had Officer Lehman 1233 police tape the west side of the tracks and I also placed Officer Davis 450 on the tracks to preserve this scene. All units at the scene were advised to not search or collect any evidence and to just preserve the scenes for BCI&I.

The scenes were locked down at this time with only people that were involved with this incident. I called Officer Cooley 349 to the scene and had Officer Hernandez and him transport the two juveniles to the PD to await BCI&I to interview them. Capt Hendren and I spoke to their parents who gave permission for this and they were advised they

could go to the PD and wait for them or we would call them when they were done.

I stayed on scene until BCI&I arrived and turned the scene over to them. My officers and I stayed on scene, at each part of the crime scene to provide security and assistance when needed to BCI&I agents. Once BCI&I advised they were completed with everything and were ready to clear the scene, Officer Lehman and myself walked around the area to make sure everything was cleaned up as good as possible and no trash, tools, or biohazards were left. We then cleared and released the scene.

10/30/2024

On 10/28/2024 at 1849hrs, I was parked in my patrol vehicle at Bright Rd. and Pheasant Run monitoring traffic. I heard "shots fired" called out over the radio from either [REDACTED] or Ofcr. Burkholder #274. From their radio transmission, I heard what I believed to be gunfire in the background. [REDACTED] and Ofcr. Burkholder were both currently on scene at Bernard Park (1105 Bernard Ave.) for a underage juvenile alcohol violation. I immediately responded in emergency mode to their call for assistance.

While enroute, I heard Ofcr. Burkholder advise over the radio that the suspect had been shot and directed responding officers to take McManness Ave. and that they were directly north of the dead end at the end of the street [REDACTED] advised over the radio there was one gunshot wound to the torso as well as a head wound. [REDACTED] advised over the radio he was beginning to provide first aid.

I responded to McManness Ave. and continued off road past the dead end into the field directly to the north. I followed the tree line until halfway out into the field where there was a break in the tree line. I observed [REDACTED] kneeling next to the suspect who was laying chest down on the ground. I also saw Ofcr. Burkholder was sprinting back towards our location with a red medical bag. I immediately removed my patrol vehicle's medical bag from the trunk of my cruiser and went over to assist with providing trauma care.

[REDACTED] assessing the injuries to the suspect when I got over to him. [REDACTED] showed me one gunshot wound to the suspects left side torso just slightly to the back and under the armpit area. The second wound [REDACTED] showed me was to the left side of the suspects head. I could see the majority of his head had blood on it. I could hear the suspect breathing agonally and determined the best course of action would be to treat the chest wound first.

We began to treat the chest wound of the suspect. Ofcr. Burkholder removed a chest seal from the trauma kit for me. I placed it on the upper left backside gunshot wound. Once the chest seal was placed, we rolled the suspect over and observed another gunshot wound to his upper left chest that appeared as if it was a entry/exit wound for the wound we just sealed. I placed my hand over the wound to help seal it while [REDACTED] readied another chest seal for me. I placed the second chest seal on the suspect and noticed improvement in his breathing.

I began checking the head wound to the suspect and found what appeared to be a gunshot wound on the left side of his head a couple inches above his ear. While holding the suspects head, I felt swelling on the back side of his head and another possible wound on the backside. At this time the Findlay Fire Department arrived on scene and their firefighters began assisting us with providing aid. I informed them of the known injuries and the treatment provided up until this point. I asked them to get Ofcr. Burkholder a pair of trauma shears to cut the suspects pants off to check for additional injuries. I maintained pressure to the head wounds with my hands while the firefighter was able to remove trauma dressing to place over the head wounds. We located a second gunshot wound on the right side of the suspects head which may have been

the entry/exit wound from the left sides wound. The firefighter and I were able to apply trauma dressing to the suspects head which I continued to hold onto and apply pressure on the wounds.

While we were treating the suspect, [REDACTED] secured the suspect's firearm in my cruiser. It was placed on the right front passenger floor board. This was the best place for the firearm due to the scene getting dark, leaves completely covering the ground, and the amount of first responders providing trauma care in the area.

Ofcr. Burkholder was able to locate another gunshot wound to the suspects waist area after he cut the suspects pants off with the trauma shears. Ofcr. Burkholder began providing trauma care for that wound.

Hanco EMS arrived on scene and we relayed to them where the wounds were and the care that had been provide up to this point.

We lifted the suspect on to Hanco's gurney and he was moved to their ambulance to provide additional treatment. I removed and left my blue nitrile gloves which I had used while treating the suspect, and left them on the ground at the scene.

I noticed there was blood from the suspect on my right wrist and and I went to the ambulance and cleaned it off with hand sanitizer. I also took with me the Findlay Fire Department's medical bags to return to them since they are a necessary item for them to have for their duties.

I went back to my patrol vehicle which Sgt. Lawrence #1224 was next to. Sgt. Lawrence was in the process of organizing where everyone needed to be for the time being until the off duty officers he requested could arrive to assist. Sgt. Lawrence continued to make the needed command staff notifications, organize locking down the large scene, requesting mutual aid from the Hancock County Sheriff's Office to handle calls, and having dispatch contact the railroad company to stop train traffic.

[REDACTED] and Ofcr. Edinger #530 together had began using yellow police crime scene tape to tape off the area of the crime scene. I took over for them so Ofcr. Edinger could clear [REDACTED] from the scene.

I went back to speak with Sgt. Lawrence who told me to hold the scene and restrict access to the scene aside from anyone involved in the investigation. I stayed at the scene standing outside of my patrol vehicle to monitor the scene and the area where the suspect had been laying. I did get in and out of my patrol vehicle a few times while on scene to get my jacket, get into my patrol bag, or turn off emergency lights. Any time I opened my cruiser door to access the inside, I did not touch or move the suspect's firearm in anyway. I did observe the firearm was a black semi-automatic pistol.

At no point while I was holding the scene did anyone enter the scene. The first persons to enter the scene were the Ohio Bureau of Criminal Investigation Agents who were

handling the investigation. When they arrived they took over the scene and relieved me of my duties.

The BCI Agents photographed my pant leg that had some blood on it and began to photograph my cruiser. I told them the suspect's firearm was located on my right front passenger floor board and that I had not touched or moved the firearm at all. They photographed the firearm and collected it as evidence. After my cruiser was photographed and processed, they released it from the scene and allowed me to drive it out of the taped off area.

Sgt. Lawrence advised me at this time to return to station for the night.

I cleared the call and ended my involvement in the investigation.

They photographed the firearm and collected it as evidence. After my cruiser was photographed and processed, they released it from the scene and allowed me to drive it out of the taped off area.

Sgt. Lawrence advised me at this time to return to station for the night.

I cleared the call and ended my involvement in the investigation.

Ofcr. Stoner #2043

REPORTING OFFICER 2043 - Stoner, Benjamin	DATE 10/28/2024	REVIEWED BY Lawrence, Darin M	11/11/2024
---	---------------------------	---	-------------------

On 10-28-2024, at approximately 1832 hours, [REDACTED] and I were dispatched to Bernard Park 1105 Bernard Ave. for a report of three people consuming what appeared to be alcoholic beverages in the park. The caller also advised the three individuals appeared to be juveniles.

[REDACTED] had arrived on scene a few minutes before me and had made contact with the individuals, who were identified as Calvin Darapheth (17YOA), Autumn Pickney (16YOA) and Samuel Milledge (13YOA). There were several glass bottles of alcoholic beverages on the picnic table they were sitting at. There were at least two bottles that were empty. [REDACTED] was working on gathering information for Calvin and Autumn so I began getting information for Samuel.

Samuel stated he had just gotten to the park and Calvin and Autumn already had the alcoholic beverages before he did not know they had them and just got there to hang out just before [REDACTED] did. Samuel was being disrespectful to [REDACTED] when we first began asking for information but calmed down and began cooperating as we talked further. After I collected Samuel's information, [REDACTED] and I began collecting the alcoholic beverages and a vape from the table. We placed them in [REDACTED] patrol vehicle and [REDACTED] began trying to make contact with Calvin's mother. Autumn did not have a phone so we were going to call her when we got to the Findlay PD. Samuel was going to be released from the scene, but was still there as Calvin's phone only worked using WIFI and we were using Samuel's phone as a hot spot for [REDACTED] to make the phone call. I was standing next to [REDACTED] as he was on the phone on the southwest side of the picnic table. Samuel was sitting on the north side of the picnic table and I realized I had not gotten his address.

As [REDACTED] was talking with Calvin's mother, the hot spot turned off by accident and the call was dropped. [REDACTED] talked with Calvin's mother again when she called back. I walked around the picnic table to the north side so I could speak with Samuel to get his address and not have to yell across everyone else talking. Autumn began asking if we could take her to the hospital for a prescreen as she needed mental health help and pulled her left sweatshirt sleeve up. When she did so, she revealed multiple superficial cuts on her arm. We explained to her once we went to the Findlay PD and finished what we needed to do for the investigation we would get her to the hospital. Autumn calmed down and agreed with this and then pulled a second vape from her pocket. She handed it to me and said she had forgotten about it but wanted to be honest. As I was collecting the vape after getting Samuel's address, [REDACTED] had just finished explaining to Calvin's mother he was going to be arrested for underage alcohol possession and she could come pick him up at the Findlay PD.

[REDACTED] removed his handcuffs to secure Calvin in them. Before [REDACTED] actually tried to secure Calvin in the handcuffs, Calvin took off running to the southeast

towards the railroad tracks. As Calvin was running, he was facing away from us and had his hands towards the front of his waistband. Calvin then turned to his right and then continued turning until he was facing backwards. He was holding what appeared to be a black semi automatic handgun and began firing the handgun towards ██████████ in the northwest direction. Calvin fired two shots as he was running and then went over the railroad tracks into the open grass area between the railroad tracks and the dead end at the north end of McManness Ave. ██████████ began advancing after Calvin and in the process returned eight shots with his department issued Glock 21 handgun. I stayed with Autumn and Samuel to make sure they had not been injured as well as to ensure they were not also going to produce any weapons. Both Samuel and Autumn were not physically injured and neither acted as though they were going to try to react or retaliate towards ██████████ or myself. I ordered them to stay at the picnic table so I could assist ██████████ in going after Calvin. As I approached the railroad tracks and crossed them, ██████████ advised he could not see Calvin any longer and believed he was in the tree line that ran north and south between McManness Ave. and the railroad tracks. He was not sure if Calvin had been struck or injured. I advised dispatch over the radio shots had been fired.

I then drew my department issued Glock 21 handgun to assist in searching the treeline for Calvin. As I went to the west side of the tree line, ██████████ remained on the east side. We began to advance forward (south) and were going to try to stay even as we walked to prevent any crossfire issues. As we walked the first couple feet, ██████████ advised he could see Calvin laying down in the trees. I went back around to the east side of the tree line and we began advancing together towards where Calvin was laying. As we got closer, I could see Calvin was laying face down and was laying on both of his arms. We also could not see the firearm. ██████████ and I began giving Calvin commands to show us his hands. He was not responding and we also commanded him to throw the firearm away. Calvin was still not responding. I could hear Calvin moaning but he was not moving or responding to any of our commands. ██████████ was closer to Calvin's head and I was closer to his feet. As we continued advancing, I saw the firearm was on the ground near Calvin's left hip. I saw neither of his hands were near it. I informed ██████████ I could see the firearm. Since we could also see Calvin was in fact wounded and in need of medical care, we communicated we would secure the firearm and then get Calvin aid. Hanco EMS was requested and instructed how to get to us since we were no longer at Bernard Park and the tracks would cause an unnecessary obstacle.

██████████ remained with lethal cover while I approached Calvin and removed the firearm from his reach. I rendered the firearm safe by ejecting the magazine and the chambered live round. I placed the firearm on the ground approximately 10 feet from Calvin. I then made sure ██████████ was okay to which he stated he was. I then ran

to my patrol vehicle to get the first aid kit containing supplies to treat gunshot wounds and ran back with the bag. As I was doing so, Autumn and Samuel were still at the picnic table and I again instructed them to stay there and told them another officer would come and speak with them.

As I returned back with [REDACTED] and Calvin, Ofcr. Stoner (2043) had also arrived on scene. [REDACTED] secured Calvin's firearm in Ofcr. Stoner's patrol vehicle while Ofcr. Stoner and I began rendering first aid to Calvin by applying chest seals to a gunshot wound on Calvin's left shoulder and chest. I also applied a bandage to a gunshot wound on the rear of Calvin's right hip while Ofcr. Stoner and [REDACTED] were attempting to apply bandages to Calvin's head. As we were rendering aid, Ofcr. Hernandez (882) and Ofcr. Edinger (530) arrived on scene. Ofcr. Hernandez remained with Autumn and Samuel and Ofcr. Edinger came and assisted [REDACTED]

Sgt. Lawrence (1224) had arrived on scene as well. As Calvin was getting loaded for transport by Hanco, Sgt. Lawrence instructed me to ride with Hanco to Blanchard Valley Hospital and remain with Calvin until another officer could come and relieve me. I rode in the ambulance to Blanchard Valley Hospital, where Calvin was placed in ER room 2. I remained with Calvin during his time in room 2 as well as when he was taken to CT scan. While in CT scan, Ofcr. Collins (494) arrived at Blanchard Valley Hospital. At this time, Ofcr. Collins was informed to tell me I could stop recording with my body worn camera at this time. I remained with Ofcr. Collins in room 2 until Captain Hendren (818) came to Blanchard Valley Hospital and took me back to the Findlay PD.

Once at the Findlay PD, I ended my involvement.

Ofcr. N. Burkholder #274

FINDLAY POLICE DEPARTMENT

CASE SUPPLEMENT REPORT

CASE

NARRATIVE

On 10-28-2024, at approximately 1832 hours, [REDACTED] and I were dispatched to Bernard Park 1105 Bernard Ave. for a report of three people consuming what appeared to be alcoholic beverages in the park. The caller also advised the three individuals appeared to be juveniles.

[REDACTED] had arrived on scene a few minutes before me and had made contact with the individuals, who were identified as Calvin Darapheth (17YOA), Autumn Pickney (16YOA) and Samuel Milledge (13YOA). There were several glass bottles of alcoholic beverages on the picnic table they were sitting at. There were at least two bottles that were empty. [REDACTED] was working on gathering information for Calvin and Autumn so I began getting information for Samuel.

Samuel stated he had just gotten to the park and Calvin and Autumn already had the alcoholic beverages before he got there. He did not know they had them and just got there to hang out just before [REDACTED] did. Samuel was being disrespectful to [REDACTED] when we first began asking for information but calmed down and began cooperating as we talked further. After I collected Samuel's information, [REDACTED] and I began collecting the alcoholic beverages and a vape from the table. We placed them in [REDACTED] patrol vehicle and [REDACTED] began trying to make contact with Calvin's mother. Autumn did not have a phone so we were going to call her when we got to the Findlay PD. Samuel was going to be released from the scene, but was still there as Calvin's phone only worked using WIFI and we were using Samuel's phone as a hot spot for [REDACTED] to make the phone call. I was standing next to [REDACTED] as he was on the phone on the southwest side of the picnic table. Samuel was sitting on the north side of the picnic table and I realized I had not gotten his address.

As [REDACTED] was talking with Calvin's mother, the hot spot turned off by accident and the call was dropped. [REDACTED] talked with Calvin's mother again when she called back. I walked around the picnic table to the north side so I could speak with Samuel to get his address and not have to yell across everyone else talking. Autumn began asking if we could take her to the hospital for a prescreen as she needed mental health help and pulled her left sweatshirt sleeve up. When she did so, she revealed multiple superficial cuts on her arm. We explained to her once we went to the Findlay PD and finished what we needed to do for the investigation we would get her to the hospital. Autumn calmed down and agreed with this and then pulled a second vape from her pocket. She handed it to me and said she had forgotten

CASE # [REDACTED]

NARRATIVE (continuation)

about it but wanted to be honest. As I was collecting the vape after getting Samuel's address, [REDACTED] had just finished explaining to Calvin's mother he was going to be arrested for underage alcohol possession and she could come pick him up at the Findlay PD.

[REDACTED] removed his handcuffs to secure Calvin in them. Before [REDACTED] actually tried to secure Calvin in the handcuffs, Calvin took off running to the southeast towards the railroad tracks. As Calvin was running, he was facing away from us and had his hands towards the front of his waistband. Calvin then turned to his right and then continued turning until he was facing backwards. He was holding what appeared to be a black semi automatic handgun and began firing the handgun towards [REDACTED] in the northwest direction. Calvin fired two shots as he was running and then went over the railroad tracks into the open grass area between the railroad tracks and the dead end at the north end of McManness Ave. [REDACTED] began advancing after Calvin and in the process returned eight shots with his department issued Glock 21 handgun. I stayed with Autumn and Samuel to make sure they had not been injured as well as to ensure they were not also going to produce any weapons. Both Samuel and Autumn were not physically injured and neither acted as though they were going to try to react or retaliate towards [REDACTED] or myself.
