APPROVAL, BONDS OF WYANDOT COUNTY, \$6,796.51, FOR ROAD IMPROVEMENTS.

COLUMBUS, OHIO, July 10, 1922.

Department of Industrial Relations, Industrial Commission of Ohio, Columbus, Ohio.

Re: Bonds of Wyandot County, \$6,796.51, for the Salem-Crane Township Road Improvement No. 109, 1 bond payable in 1 installment of \$396.51 and 8 installments of \$800 each—6%.

GENTLEMEN:—I have examined the transcript of the proceedings of the county commissioners and other officers of Wyandot County, relative to the above bond issue, and find the same regular and in conformity with the provisions of the General Code.

I am of the opinion that a bond for said issue with combined principal and interest coupons attached, drawn in accordance with the bond resolution authorizing the same and in compliance with the resolution of the Industrial Commission adopted under authority of section 1465-58a G. C. will, upon delivery, constitute a valid and binding obligation of said county.

Since the purchase of the above bonds the county commissioners in order to meet the requirements of the Griswold act have amended their bond resolution so that the bonds now mature in installments as follows: One installment of \$396.51 on December 1, 1923, and 1 installment of \$800 on December 1st in each of the years 1924 to 1931, both inclusive. Your resolution of purchase should be amended to meet the change in maturities and denomination.

Respectfully,
JOHN G. PRICE,
Attorney-General.
