

I note from the endorsements on the papers bound with the contract that Director Herrick has given approval to the form of notice to contractors and to the plans, specifications and method of publication of notice; and I also find on inquiry at the office of the Auditor of State that plans, specifications, estimates, form of proposal and bonds, etc., were deposited in that office.

I note that the contract has been signed under date of January 16, 1922, on behalf of the state by Director Herrick, and has also been executed by the contractor.

Finding as I do that the proceedings of your department as to the contract in question have been in conformity to law, I am giving my approval to the contract and bond and am returning the contract herewith, together with the accompanying papers above mentioned.

Respectfully,  
JOHN G. PRICE,  
*Attorney-General.*
