APPROVAL, LEASES TO CANAL LANDS IN HENRY COUNTY, OHIO.

COLUMBUS, OHIO, December 20, 1933.

HON. T. S. BRINDLE, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR:—Attention: Mr. Booten. You have submitted for my examination and approval tentative drafts of two certain Canal Land Leases by which there are to be leased and demised to The Board of Park Commissioners of Henry County Park District, two extended sections of Miami and Erie Canal lands in Henry County outside of the Village of Napoleon and a section of such canal lands within said village.

Upon examination of the provisions of these proposed leases and of the conditions and restrictions therein contained, I find that the same are in substantial conformity with the applicable provisions of the DeArmond and Farnsworth Acts and with the interpretation of these acts which you and Mr. Ford of this office have arrived at, so far as the requirements of these leases are concerned.

The drafts made by you of these proposed leases are accordingly hereby approved and it is suggested that after said leases have been executed by the Superintendent of Public Works on behalf of the State of Ohio, The Board of Park Commissioners of the Henry County Park District, be notified to the end that such board may be enabled to make such arrangements as is necessary for the execution of the leases by and on behalf of such board. In this connection, you will please see that a copy of the resolution of The Board of Park Commissioners authorizing the execution of this lease on behalf of said board, is attached to each of these leases and to the duplicate and triplicate copies thereof.

I am herewith enclosing the drafts of these leases which you submitted to me.

Respectfully,

JOHN W. BRICKER,

Attorney General.
