Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Cory Momchilov (Momchilov) compiled background information on John Perry (Perry). The information included researching past police reports involving the subject, searching criminal history records, court records (if applicable), open/closed-source database inquiries, and social media posts.

SA Momchilov reviewed the information and noted the following:

### Prior Police Encounters:

Ashtabula County Sheriff's Office  
Report Number 15-13397-Theft, Burglary-November 25, 2015

John Perry was listed as a victim in the above matter. The report narrative reads:

I was dispatched to 2212 Tryon Road, reference to a reported theft of a motor vehicle from that location. Dispatch advised the vehicle was located in the parking lot of A. Luis Supply on Main Avenue by an Ashtabula City Police Unit.

Upon my arrival, I met with the vehicle owner John Perry. John told me last night he had fallen asleep on his couch at around 2300 hours. He said, this morning he received a call from the Ashtabula City Police that his 1997 Toyota was found in the parking lot of A.Luis Supply. John went on to say, someone had must have entered his unsecured home, while he slept, and took the vehicle keys that was last place on the kitchen table. He also advised someone went into his bedroom and stolen a change jar from the dresser, and twenty dollars from his wallet, but nothing else appears to be missing. Photographs were taken.

John told me he has no suspects at this time. I advised John it was possibly a friend or someone who has been to his home. I took John to the location and he recovered the vehicle.

I was dispatched to 2212 Tryon Road, reference to a reported theft of a motor vehicle from that location. Dispatch advised the vehicle was located in the parking lot of A. Luis Supply on Main Avenue by an Ashtabula City Police Unit.

Upon my arrival, I met with the vehicle owner John Perry. John told me last night he had fallen asleep on his couch at around 2300 hours. He said, this morning he received a call from the Ashtabula City Police that his 1997 Toyota was found in the parking lot of A.Luis Supply. John went on to say, someone had must have entered his unsecured home, while he slept, and took the vehicle keys that was last place on the kitchen table. He also advised someone went into his bedroom and stolen a change jar from the dresser, and twenty dollars from his wallet, but nothing else appears to be missing. Photographs were taken.

John told me he has no suspects at this time. I advised John it was possibly a friend or someone who has been to his home. I took John to the location and he recovered the vehicle.
