

Therefore, in specific answer to your first question I am of the opinion that, a veteran may receive aid from the Soldiers' Relief Commission although receiving a pension or compensation from the Federal Government, and such pension or compensation is insufficient to meet his budgetary needs as determined by the Soldiers' Relief Committee.

In answer to your second question it is my opinion that there is no age limit for aid to be provided by the Soldiers' Relief Commission to minor children of the veteran.

Respectfully,

THOMAS J. HERBERT,
Attorney General.
