

Each of said leases calls for an annual rental of six per cent upon the appraised value of the parcel of land demised by the lease.

An examination of said leases shows that the same and each of them have been executed in substantial compliance with the provisions of Section 471 and other related sections of the General Code applicable to leases of this kind; and no reason appearing why these leases should not be approved by this department, the same and each of them are hereby approved, as is evidenced by my approval endorsed upon said leases and upon the duplicate and triplicate copies thereof.

Respectfully,  
GILBERT BETTMAN,  
*Attorney General.*
