Re: Petition for Initiated Constitutional Amendment – “Ohio Equal Rights Amendment”

Dear Mr. McTigue,

On June 24, 2025, in accordance with Ohio Revised Code (“ORC”) Section 3519.01(A), I received a written petition containing (1) a copy of a proposed constitutional amendment titled “Ohio Equal Rights Amendment” and (2) a summary of the same measure. One of my statutory duties as Attorney General is to send all of the part-petitions to the appropriate county boards of elections for signature verification. With all of the county boards of elections reporting back, at least 1,000 signatures have been verified.

This letter certifies that the submitted title and summary comply with Section 3519.01(A) as interpreted by the federal courts. This certification should not be construed as an affirmation of the enforceability, constitutionality, or wisdom of the proposed amendment. Those matters are left for a different forum and another day.

Yours,

A handwritten signature in blue ink that reads "Dave Yost".
