Officer Involved Critical Incident - 2600 Navarre Ave.,
Oregon, OH 43616, Lucas County

Investigative Activity: Review of Agency Report
Involves: Mercy Police Department (O)
Activity Date: 06/17/2026
Activity Location: BCI - Richfield
Authoring Agent: SA John P. Tingley #154

Narrative:

On Wednesday, June 17, 2026, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) John Tingley (SA Tingley) reviewed documents from the Mercy Police Department (MPD). The records which were requested included any reports pertaining to the June 6, 2026, officer-involved critical incident (OICI), except for any statements made by the involved officer. SA Tingley reviewed the documents and noted the following:

The incident number for the MPD report is [REDACTED] and listed the address as Mercy Health St Charles Hospital ER Parking Lot. The incident type is listed as Assault and the reporting MPD Officer is Sergeant Q. Chapa.

The following excerpt is taken directly from the narrative section of the report but does not include all the information contained within the narrative section. Rather, the excerpt listed only includes that information deemed by the author to be the most relevant and useful in obtaining an understanding of the incident report as it relates to the OICI.

A Police Sgt. From Oregon PD informed me one of our Officers, [REDACTED] had been involved in a shooting. Oregon PD asked if there was a private spot to take him. He was then taken to the St. Charles Sgt Office. Where he was to have no visitors. I then assisted Oregon PD, BCI, Mercy staff, and Mercy Officers, until I was relieved of my duties for the day.

A second MPD Officer, Officer B. Barton, also completed a narrative in the report about his involvement in the incident for the report. That narrative is listed as [REDACTED] 2.

The following excerpt is taken directly from the narrative section of Officer B. Barton's narrative but does not include all the information contained within the narrative section. Rather, the excerpt listed only includes that information deemed by the author

to be the most relevant and useful in obtaining an understanding of the incident report as it relates to the OICI.

On June 6th, 2026, at approximately 1630 hours, I responded to a call regarding a disturbance in the ER parking lot, at St. Charles Hospital.

Dispatch advised that someone was being pushed into a car, a maroon-colored Jeep. I began heading towards the area from the main elevators. As I was approaching the ramp to the BHI lobby, I recall hearing unit # [REDACTED] advised that he was on scene. As I entered the BHI ramp, I gained visibility of the ER parking lot through the window and could see [REDACTED] out with a male and a female subject. [REDACTED] had his service weapon drawn and was aiming it at the male subject. The subject was approaching [REDACTED] who was taking steps backward to maintain distance. It is at this point I drew my service weapon and began to sprint to the door to exit the building and assist [REDACTED]. While running down the ramp, I radioed a request to dispatch to send Oregon Police Department. As I exited the building, coming out of the BHI lobby doors, the male subject lunged or ran towards [REDACTED] who proceeded to fire what I believed was approximately three rounds from his service weapon. I immediately called out on the radio to say there were shots fired. The male subject fell forward onto the pavement immediately...

ER medical staff did begin to pour out of the ER shortly after the scene appeared to be stable. Staff loaded the male subject onto a stretcher and seemed to start CPR very quickly. [REDACTED] made the determination not to handcuff the male subject, ordering me to follow staff and the male subject while he secured the scene for Oregon PD.

The report for MPD incident # [REDACTED] was attached to this investigative report. Please refer to the attachment for further details.
