On December 21, 2022, the Ohio Bureau of Criminal Investigation (BCI) was requested to investigate the facts and circumstances surrounding an Officer-Involved Critical Incident (OICI) that occurred at Sidney Foodtown, located at 1010 Wapakoneta Avenue, Sidney, Ohio (Shelby County). The OICI occurred when Sidney police officers encountered Todd Jordan (Todd), who was armed with a gun inside Sidney Foodtown.

On December 22, 2022, BCI Special Agent Lauren Frazier spoke with Shelby County Sheriff's Department Records Clerk Kari Stewart regarding police incident reports the Shelby County Sheriff's Department may have involving Todd Jordan and Annette Wooddell. He told police that a friend, Sherri Redinbo, sent him a voice recording of Annette admitting to drugging him in attempt to kill him. Narrative

On 02-21-19 at approx 20:07, Deputies were dispatched to 10389 Black Fox Trl. on the report that a female there was striking a male. Upon arrival I made contact with Todd Jordan and Annette Wooddell. Todd advised he just wanted Annette to get her things and leave. Annette stated Todd wouldn't allow her to get her things so she could leave. They had been arguing because Annette said Todd was drunk. Todd stated Annette had struck him in the back of the head while arguing. He advised he had no injuries and it didn't hurt because Annette didn't hit very hard. Todd advised he didn't want to pursue charges, he just wanted Annette to get her stuff and leave. Annette denied hitting Todd and said he is just trying to get her in trouble. Deputies stood by while Annette gathered her belongings and she then left. I asked Todd if he had any thoughts of harming himself and he advised he did not. Annette had told Deputies before leaving that Todd may be suicidal. Todd said Annette was crazy and he didn't have any thoughts of harming himself.

Initial Narrative By Lynn Marsee

I was transferred a call in reference to a male advising he had been drugged by his ex girlfriend several years ago somewhere in Lockington. I spoke to Todd Jordan who advised his ex Annette Wooddell had drugged him and tried to kill him about 4 years ago somewhere in Lockington. Jordan advised he didn't remember anything from the incident that a friend (Sherry Rettenboe unknown on actually spelling) of Wooddell had reached out to him on Facebook in the last couple of weeks and sent him a voice recording that Jordan advises is Wooddell admitting to drugging him in an attempt to kill him. Jordan advised that he had a document that was a forged Will that Wooddell made for Jordan before the incident. Jordan advised that there was another incident that Wooddell admitted in the recording that occurred in Jackson Center where she had dropped 3 Oxytocins into a beer he was drinking. Jordan advised this was around 5 or 6 years ago. Jordan advised the incident in Lockington they had been drinking and Wooddell put a rock of meth in his mouth and made him swallow it. I asked Jordan if he could meet me at the Sheriff's Office on Sunday, November 13, 2022 so that I could listen to the recording and take a look at the document that was supposed to be a forged Will. He advised he could meet me at 0700 hrs.

Supplement:

On Monday, November 14, 2022 at around 0945 hrs. I called Jordan due to him not coming in on Sunday. Jordan advised that the recording was actually from the Jackson Center incident that he had already filed a report with

Jackson Center PD about. He was able to provide me with the address in Lockington that the second incident had occurred at as 10389 Blackfox Trail. I advised Jordan due to not having anyway to obtain physical proof that the incident occurred I would be unable to bring any charges against Wooddell, but advised him that I would document his complaint. He advised he understood and thanked me for my time.

Supplement:

On Sunday, November 27, 2022 at around 1105 hrs. I responded to 2805 Wapakoneta Ave Lot 48 in Sidney in attempt to make contact with Annette Wooddell at her residence due to not finding a valid phone number for her. I did not get an answer at the door. I left a business card advised Wooddell to contact me as soon as possible. I did not receive a call before the end of my shift on this day.

Supplement:

On Monday, November 28, 2022 at around 1318 hrs. I responded back to the Wapakoneta Ave address to again try to make contact with Wooddell. I got response at the residence and my business card was on the ground next to the door. I stopped at the building manager's office. It was closed, but there was a number to call for the building manager. I called and left a message for Dave Fleming. At around 1326 hrs. I received a phone call from Fleming who advised me Wooddell does still live at the lot 48 residence. He also advised me Wooddell works at Sidney Food Town and works during the day. I called Sidney Food Town and was able to talk to Wooddell. I asked her if she was familiar with Todd Jordan. Wooddell advised he was her ex boyfriend and that they had dated for 13 years, but had broke up a couple of years ago. I asked her if she knew anything about the incident in Lockington regarding her putting a rock of meth into Jordan's mouth in an attempt to kill him. Wooddell advised that she had never done this and since they had broken up Jordan keeps trying to contact her. Wooddell advised she and almost everyone in her family has blocked him on social media and blocked his phone number to keep him from contacting her. Wooddell advised that Jordan has been kicked out of Sidney Food Town and is no longer aloud in there due to him coming there to try to contact Wooddell while she is at work. Wooddell asked what she can do to get Jordan to leave her alone. I suggested she contact the Sidney Municipal Court and try to get a CPO against Jordan. Due to no evidence this case will be considered closed.
