A wooden folding table with a light-colored top and dark legs. On the table, there is a silver tumbler, a stack of red plastic cups, and a white plate.

A white louvered door with brass-colored knobs, partially open, revealing a doorway leading to another room. The door is set against a light-colored wall.

A red and white box of 7up, with the brand name clearly visible. It is sitting on the floor in the doorway.

A blue and white plastic bottle of water, likely a 1.5L or 2L bottle, sitting on the floor near the bicycle.

A black bicycle with a brown saddle and red-rimmed tires. It is parked in the corner of the room, near a window with white blinds.
