On June 6, 2026, at approximately 1730 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent David Hammond (SA Hammond) was notified by Special Agent Supervisor Charles Moran (SAS Moran) that there was a request from the Mercy Health Police Department (St. Charles -Hospital) for the Force Investigation Unit and the Crime Scene Unit to respond to an Officer Involved Critical Incident. The incident took place at St. Charles Mercy Health Hospital, 2600 Navarre Ave., Oregon, Lucas County. SA Hammond responded to scene, arriving at approximately 1845 hours.

Upon arrival, SA Hammond met with officers of the Oregon Police Department. The scene had been secured with crime scene tape and officers were maintaining the perimeter.

SA Hammond spoke with Oregon Police Officer (Ofc.) Brian Hopkins (243) who was maintaining the perimeter. He stated that he responded to the scene and arrived shortly after the incident took place. While at the scene he spoke with Thomas E. Harmon (Harmon). He stated that Harmon witnessed the incident and completed a witness statement about what he saw. SA Hammond captured a photograph of the witness statement and uploaded it into Axon Justice (Reference Item G - Witness Interview - Thomas Harmon Written Statement). The body of the statement stated the following:

SA Hammond then entered the hospital to locate possible witnesses to the incident. SA Hammond spoke with an unknown member of the hospital staff. The white/female advised that the incident had been witnessed by two members of the Emergency Room Registration Team. The unknown staff member seemed troubled by the event and stated that the incident had upset her staff members. She advised that they were sent home. SA Hammond attempted to obtain the witness' names and a work phone number so that they could be contacted for interviews, later. The unknown staff member refused to provide the names and stated that any communication would be done through the hospital's legal team.

SA Hammond contacted Mercy Health Police Lieutenant (Lt.) Josh Wirick (Lt. Wirick). Lt. Wirick was advised of the potential witnesses and advised that he would attempt to obtain their names and a contact number for a future interview when the staff members were ready to speak with investigators.

SA Hammond also spoke briefly with two officers who were present at the scene, while it occurred. Ofc. Brett Bartson (30) and Ofc. Nicole Stribrny (190) stated that they responded to the area and witnessed the incident. Both stated that they were wearing their body worn cameras and believed that they were on. Both Bartson and Stribrny initially agreed to be interviewed but after speaking with their supervisor, stated they would be speaking with the hospital's legal team prior to providing a statement to investigators.

At the conclusion of the crime scene examination, Crime Scene Technician Emily Miller provided SA Hammond with the evidence collected from the scene (June 6, 2026 - 2105 hours). All items were transported to the Bowling Green Office of BCI and placed into temporary locker number two (June 6, 2026 - 2150 hours). The evidence receipt chain of custody was updated and scanned into the Matrix. The evidence custodian was notified.
