Bureau of Criminal Investigation
Investigative Report

2024-3413
Officer Involved Critical Incident – Bernard Park – 1105 Bernard
Ave., Findlay, OH 45840

Investigative Activity: Consent Search, Evidence Recovery, Evidence Submission, Search, Evidence Collection

Involves: Calvin Darapheth (V)

Date of Activity: 11/08/2024

Activity Location: Michael Tice – 930 McManness Ave, Findlay, OH 45840

Author: SA Ryan Emahiser, #36

Narrative:

On November 8, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agents (SA) Ryan Emahiser, Tiffany Najmulski, and Douglas Burke, returned to the wooded area of 930 McManness Avenue, Findlay, Ohio. The purpose for returning to the area was to conduct a secondary search for potential spent shell casings that could have potentially been fired by the decedent Calvin Darapheth (Darapheth). Upon a more thorough review of Findlay Police Department (PD) body worn camera (BWC) footage available from the incident, it was discovered that Darapheth may have fired two additional rounds out of view of the involved officers' BWC's. The two additional shots fired would have potentially been fired near the location that Darapheth came to a final point of rest as seen in the reviewed BWC footage.

On the night of BCI Agents' initial response to the incident 10/28/2024, the scene was heavily covered with leaves and foliage from the nearby trees as well as no sunlight available to aid in the search for potential evidence. On 10/28/2024 agents did not locate any spent shell casings in the direct vicinity of Darapheth's final point of rest, however spent 9mm shell casings were located in earlier progression locations of the officer involved critical incident outside of the wooded final point of rest area.

On 11/8/2024 the above-mentioned agents returned to the wooded location where Darapheth came to a final point of rest, and in the same area that agents believed that Darapheth potentially fired two additional rounds from his handgun. Agents obtained written consent to search the area from property owner Michael Tice prior to conducting the secondary search, and a copy of the consent to search is uploaded to this case file and report for review.

Upon beginning the search at approximately 1330 hours, agents utilized a leaf blower to remove the layer of leaves covering the area near Darapheth's final rest. After clearing the

area agents thoroughly searched the grassy area and located one 9mm Luger silver colored spent shell casing approximately 10 feet northwest of Darapheth's final rest location.

The spent shell casing was photographed and placed into a manila evidence envelope to be secured for evidence. The sealed envelope with the spent shell casing was transported to the Bowling Green BCI Office and placed into evidence. The found spent shell casing is listed in Matrix as evidence Fired Cartridge Casing – 13, evidence # P00020-1041142 and agency property #34.

Axon Evidence photographs of the found spent shell casing have been uploaded to this case file and report for review, along with audit trails with location utilizing Axon Evidence.
