Re: Bonds of Galion City School District, Crawford County, \$5,000.00.

Retirement Board, State Teachers Retirement System, Columbus, Ohio.

GENTLEMEN:—The transcript submitted in connection with the foregoing issue of bonds provides for the issuance of \$250,000.00 in bonds under authority of section 7630-1 of the General Code and based upon school order No. 30 prohibiting the use of the former school building, the question of issuing the foregoing amount of bonds was submitted to the electors on November 4, 1924.

The resolution passed by the board of education on August 29, 1924, declared it necessary to issue and sell bonds to rebuild or repair what is known as the West school building or to construct a new school house and *for the furnishing of same.*

This resolution also provided for an election under the provisions of section 7630-1 of the General Code, and said election was held under the provisions and upon the authority of this resolution.

The certificate of the clerk as to the life of the improvement recites that \$235,000.00 was to be issued for construction of a fire proof school house and \$15,000.00 for furnishings of school house.
