These leases are each for a term of fifteen years and, presumably, are executed by you under the authority conferred upon you by the De-Armond Act, 114 O.L., 546, which has been carried into the General Code as sections 14178-27 to 14178-52, inclusive.

Assuming that these parcels of Miami and Erie Canal lands have not been designated for highway purposes by the Director of Highways under the authority conferred upon him by this act and that no application for the lease of these parcels or of either of them for park purposes has been made in the manner and within the time prescribed by section 13 of said act (sec. 14178-39, G.C.) and by the Farnsworth Act, 114 O.L., 518, and assuming further as to the second lease above referred to that the parcel of Miami and Erie Canal land therein described does not constitute a part of that section of the Miami and Erie Canal sold by the state to the city of Dayton, Ohio, it appears that you are authorized to execute the leases here in question under the specific authority of section 19 of said act (sec. 14178-45, G.C.).

Inasmuch as an examination of these leases shows that they have each been properly executed by you as Superintendent of Public Works and as Director of said department, acting for and in the name of the state of Ohio, and by the respective lessees therein named, and the provisions of these leases and the conditions and restrictions therein contained are in conformity with said act and with other statutory provisions relating to leases of this kind, I am approving these leases as is evidenced by my approval endorsed upon the lease instruments and the duplicate and triplicate copies thereof, all of which are herewith returned.

Respectfully,

HERBERT S. DUFFY,
Attorney General.
