

"Thus it is clearly settled that the state of Ohio has both civil and criminal jurisdiction over the waters of the Ohio river beyond the territorial limits of the state of Ohio, technically speaking, to-wit the western or northwestern low water mark of said river."

You are therefore advised that the waters of the Ohio river bordering the state of Ohio are within the jurisdiction of the state of Ohio, and that persons may not, in view of the provisions of section 1431 G. C., hunt wild birds or wild animals on said river, without first having applied for and received a hunter's and trapper's license.

Respectfully,
 JOHN G. PRICE,
Attorney-General.
