Activity Location: 2600 Navarre Avenue, Oregon, Lucas County, Ohio
Authoring Agent: SA John Tingley #154

Narrative:

On June 6, 2026, at approximately 1730 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent John Tingley (SA Tingley) received a notification via the Who's Responding app which notified SA Tingley that the Oregon Police Department (OPD) had requested both the BCI Crime Scene Unit and the Force Investigations Unit (FIU) respond to an Officer Involved Critical Incident (OICI) that had occurred at Mercy Health Hospital at 2600 Navarre Avenue, Oregon, Lucas County, Ohio.

SA Tingley responded to assist and arrived at approximately 1930 hours. Also responding were Force Investigations Unit (FIU) Special Agents Doug Burke (Burke) and Dave Hammond (Hammond) and Major Case Response Team (MCRT) Special Agents Jon Lieber (Lieber), Rob Surgenor (Surgenor) and Joshua Rammel (Rammel). BCI Crime Scene Unit (CSU) Special Agents Megan Roberts (Roberts) and Emily Miller (Miller) were already on scene and were processing the scene for evidence.

Upon arrival, SA Tingley made contact with SA Roberts, SA Burke, SA Lieber, and SA Surgenor. SA Roberts notified those present of the basic facts of the case and the evidence located and marked. It was also disclosed that SA Rammel had made initial contact with the Involved Mercy Health Police Department (MHPD), [REDACTED] and also interviewed an unknown number of witnesses.

After a brief discussion, it was determined that SA Lieber would conduct an interview with a civilian witness who was standing near the incident location, while SA Tingley, SA Burke, and SA Surgenor proceeded into the hospital and contacted SA Rammel. After contacting SA Rammel, it was decided that SA Burke would contact the involved subject's (Christian Strassburg) partner/girlfriend/fiancé (exact relationship had not been fully determined), while SA Tingley and SA Surgenor would proceed to the MHPD Office and contact MHPD Lieutenant Joshua Wirick (Wirick), the MHPD point of contact.

Accordingly, SA Tingley and SA Surgenor were escorted by an unidentified MHPD

Officer to the MHPD Office where they contacted MHPD Lieutenant Wirick. SA Tingley notified Lieutenant Wirick of the documentation needed regarding [REDACTED]. SA Tingley then asked about the Body Worn Camera (BWC) system in use by the MHPD and the surveillance camera system in use by the MHPD. Lieutenant Wirick described both systems and SA Tingley notified Lieutenant Wirick of the video recordings that would be needed for the investigation regarding both [REDACTED] BWC and the surveillance camera system.

Lieutenant Wirick then stated that there was another MHPD Officer (Brett Bartson) and Mercy Health Security Officer (Nichole Stribley-Keifer) who both responded to the initial call and arrived shortly before or shortly after the actual OICI and who were both reportedly wearing BWCs. Lieutenant Wirick stated that he would also save those BWC video recordings based on the earlier parameters described by SA Tingley for the length and duration of the video recordings.

SA Tingley and Lieutenant Wirick then discussed how the officer documentation, radio traffic recordings (MHPD has their own dispatch), BWC and surveillance camera video footage, and other related documentation would be collected and provided to BCI. Lieutenant Wirick stated that he would put everything onto an external hard drive which would then be provided to SA Tingley.

Once the CSU Agents were finished and all witnesses and other investigative activities completed, SA Burke and SA Hammond transported the collected evidence to the BCI Bowling Green (BG) Office where the evidence was placed into the BCI BG Temporary Evidence Room.
