COLUMBUS, OHIO, March 21, 1932.

HON. T. S. BRINDLE, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR:—You have submitted for my approval a contract between the State

of Ohio, acting by the Department of Public Works, for the Board of Trustees of Ohio State University, Columbus, Ohio, and The Huffman-Wolfe Company of Columbus, Ohio. This contract covers the construction and completion of New Steam Generator Ash Conveying Equipment for New Springfield Boiler for Power Plant on the Ohio State University campus, together with Alternate A, in accordance with the form of proposal dated February 19, 1932. Said contract calls for an expenditure of seven thousand eight hundred and eighty-six dollars (\$7,886.00).

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. You have also shown that the Controlling Board and Emergency Board have approved the expenditure in accordance with section 8 of House Bill No. 624 of the 89th General Assembly. In addition, you have submitted a contract bond, upon which the New York Casualty Company of New York, N. Y., appears as surety, sufficient to cover the contract price.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law, and the contract duly awarded.

It appears that the law relating to the status of surety companies and the workmen's compensation have been complied with.

Finding said contract and bond in proper legal form, I hereby approve the same. I have noted my approval on the contract and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,

GILBERT BETTMAN,
Attorney General.
