COLUMBUS, OHIO, June 18, 1935.

HON. T. S. BRINDLE, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR:—You have submitted for my approval a contract between the State of Ohio, acting by the Department of Public Works, and the American Construction Company, Inc. of Cleveland, Ohio. This contract covers the construction and completion of Dredging Put-in-Bay Harbor, in accordance with the revised form of proposal dated May 25, 1935. Said contract calls for an expenditure of Seven Thousand Five Hundred and Seventy-One dollars (\$7,571.00.)

You have submitted the certificate of the Director of Finance, to the effect that there are unencumbered balances legally appropiated, in a sum sufficient to cover the obligations of the contract. A certificate of the Controlling Board shows that such board has released the money for this contract in accordance with Section 2 of Amended Senate Bill No. 39 and Section 7 of Amended Senate Bill No. 1, passed by the 91st General Assembly. In addition, you have submitted a contract bond upon which the Fidelity and Deposit Company of Baltimore, Maryland, appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law, and the contract duly awarded. Also, it appears that the laws relating to the status of surety companies and the Workmen's Compensation Act have been complied with.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon, and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,
JOHN W. BRICKER,
Attorney General.
