APPROVAL, BONDS OF MURRAY CITY SPECIAL SCHOOL DISTRICT,
\$11,000 FOR CONSTRUCTION OF SCHOOL BUILDING.

COLUMBUS, OHIO, August 3, 1922.

Department of Industrial Relations, Industrial Commission of Ohio, Columbus, Ohio.

Re: Bonds of Murray City Special School District, \$11,000, for the construction of a school building, 1 bond payable in 10 installments of \$700 each and 5 installments of \$800 each, 5½%.

GENTLEMEN:—I have examined the transcript of the proceedings of the board of education and other officers of Murray City Special School District, relative to the above bond issue, and find the same regular and in conformity with the provisions of the General Code.

I am of the opinion that a bond for said issue with combined principal and interest coupons attached, drawn in accordance with the bond resolution authorizing the same and in compliance with the resolution of the Industrial Commission adopted under authority of section 1465-58a G. C. will, upon delivery, constitute a valid and binding obligation of said school district.

The resolution of the Industrial Commission providing for the purchase of said bonds recites that they are dated September 1, 1922, and were issued under authority of a resolution passed May 25, 1922. In order to meet the requirements of the Griswold Act and provide for an earlier date for the bonds, the board of education has since re-enacted the resolution authorizing the issuance of the bonds under date of July 27, 1922, wherein it is provided that the bonds shall bear date of August 1, 1922. I suggest that your records be corrected to meet the change in the proceedings of the board of education.

Respectfully,
JOHN G PRICE,
Attorney-General.
