CAUTION  
SUB  
SECURITY

A black SUV is parked on the left shoulder of the road, with its driver-side door open. The vehicle appears to be involved in an accident, with some damage visible on the front end.

A motorcycle lies on the road in the center, between the two lanes. It appears to be the result of a collision.

In the background, several emergency vehicles are present, including a fire truck with its red and blue lights flashing, and a police car with its blue lights on. A white van is also visible.

A white stop sign is visible on the right side of the road, near the utility pole. It is illuminated by a light source, possibly a street lamp or emergency light.

A house with light-colored siding and a window is visible on the right side of the road. The window is lit from within, and a yellow caution tape is strung across the grass in front of it.

A utility pole stands on the right side of the road, with several power lines extending across the scene. The pole is illuminated by a light source.
