Narrative:

On Wednesday, September 10, 2025, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Dan Boerner (SA Boerner) examined Jerry Pegram's clothing (Matrix Item 50). The clothing was collected on Monday, September 8, 2025, and was stored in the drying room at the BCI Richfield Office. The clothing consisted of a black Atlanta Falcons vest (Ozark Trail, size 2XL) and a black and white hooded vest (Forever Young, size 2XL). The clothing was photographed as it was found and examined for items of suspected evidence. A taser probe was located on the right front of the Atlanta Falcons vest. The probe penetrated the exterior of the vest but did not go through the inner lining. A projectile was located on the right front of the black and white hooded vest. The projectile was photographed as it was found and collected as evidence (Matrix Item 51).
