

Ohio Attorney General's Office  
Bureau of Criminal Investigation  
Investigative Report

2024-3413  
Officer Involved Critical Incident – Bernard Park – 1105 Bernard  
Ave., Findlay, OH 45840

**Investigative Activity:** Police Recorded Calls Review, Review MDT Traffic  
**Involves:** Findlay Police Department (O)  
**Date of Activity:** 11/12/2024  
**Author:** SA Joshua S. Rammel, #175

**Narrative:**

On November 12, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Josh Rammel (Rammel) received requested records and recordings from the Findlay Police Department (FPD) regarding the Officer Involved Critical Incident (OICI) that took place on October 28, 2024, at 1105 Bernard Avenue, Findlay, Ohio.

SA Tiffany Najmulski (Najmulski) had previously requested all dispatch records, audio recordings (radio, 911, and phone), mobile data terminal (MDT) communications, and any other dispatch/communications-related information for the following date and time period: October 28, 2024, at 0000 hours, until October 29, 2024, at 23:59:59 hours.

As a result of that request, the following items were received and reviewed:

Computer Aided Dispatch (CAD) Records:

FPD CAD records:

At 6:28:55pm a call came into the FPD from Nicole Ansel (Ansel) advising that "three kids were sitting at the picnic table near the basketball courts drinking alcohol" in Bernard Park.

At 6:30:13pm Unit [REDACTED], FPD O [REDACTED] and Unit 274, FPD Officer Noah Burkholder (Burkholder), were dispatched to 1105 Bernard Avenue, Findlay, Ohio for an "Unruly/Delinquent Juvenile".

[REDACTED] and Burkholder arrived on the scene at 6:39:30pm.

At 6:49:03pm "shots fired" was announced and at 6:49:18pm the direction of travel for the suspect was listed as "S/B towards McManness".

At 6:49:35pm dispatch was informed "the suspect has been shot".

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law – a statute, an administrative rule, or any rule of procedure.

At 6:51:11pm the juvenile, Calvin Darapheth (Kalvin), was identified as having a "torso GSW", and at 6:51:50pm "a very large head wound as well" was alerted.

At 6:52:05pm "life saving measures being provided" was alerted.

At 7:07:15pm Burkholder was listed as being "enroute hospital".

At 7:07:29pm [REDACTED] was listed as being "enroute station".

At 7:09:32pm Norfolk Southern Railroad was contacted and agree to stop all train traffic through the scene of the shooting.

At 7:44:07pm a male advised that his vehicle was hit during the exchange. Later identified as being a truck parked at 920 McManness.

At 7:48:48pm Life Flight was listed as being "enroute".

At 8:04:19pm "vape and some 50" was advised to have been located at Bernard Park.

At 8:52:37pm BCI was identified as being on the scene.

At 9:08:03pm the order was made for all FPD units to "turn off your body cams".

Findlay Fire Department (FFD) CAD records:

The FFD was dispatched to 900 McManness Avenue at 6:51:21pm on October 28, 2024, and were listed as being enroute at 6:52:12pm.

A gunshot wound to the head was added as a "narrative" at 6:51:51pm

The FFD arrived on scene at 6:52:45pm.

At 8:11:58pm an "arrest count 1" deposition was added along with the Unit E3 being cleared from the scene and being back available.

FPD radio traffic without a timestamp or an identifiable CAD entry:

Kalvin's mother, Vidakone Inthavong (Inthavong), contacted the FPD and inquired as to where her son was. Inthavong was initially placed on hold before being transferred to Sergeant Lawrence (Lawrence).

Commands were given by FPD Command Staff directing FPD personnel where to go in order to secure the scene of the shooting from multiple locations.

Dispatch informed Doctor Mark Fox (Fox) of the Hancock County Coroner's Officer (HCCO) that Calvin had been transported to the Blanchard Valley Medical Center and that Fox did not need to respond to the scene.

#### Radio Traffic Recordings:

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law – a statute, an administrative rule, or any rule of procedure.

The radio traffic provided by the FPD did not have any time stamps identifying when the radio traffic took place. The radio traffic deemed important to the investigation was compared to the times listed in the CAD logs and described above. See the attached radio traffic for the complete record.

Other Phone Calls (other than 911):

The initial call for service came to the FPD from an individual identified as Ansel. Ansel advised that three kids, around 16–17 years old, were sitting at a picnic table near the basketball courts drinking alcohol. Ansel indicated that she did not know who the juveniles were. Ansel provided her contact information and described the three juveniles as "two males and a female".

Mobile Data Terminal (MDT) Communications:

██████████ did not have any MDT chats during the date of the OICI.

The radio traffic and CAD reports were attached to this investigation. See the attachments for the complete details.
