Full text of the Amendment

§Marijuana Rights and Regulations

Whereas, the majority of States of these United States have regulated marijuana; and

Whereas, we believe that marijuana prohibition has infringed on our individual liberty, endangered the well-being and safety of Ohio families and is in conflict with a just and civil society; and

Whereas, we believe that an Ohio citizen's Rights to life, liberty and happiness includes the adult use of marijuana as a Right; and understand that this amendment applies only to Ohio law and State action, and does not immunize violations of federal law;

Now Therefore Be it Resolved by the People of the State of Ohio that Article I of the Ohio Constitution is hereby amended to add the following Section: §24 Marijuana Rights and Regulations:

(A) Rights

The Rights of all persons 21 years and older in Ohio to use in a manner they choose, and to possess, produce, process, transport, sell, purchase and share marijuana and marijuana products in Ohio shall not be infringed except for the limitations set forth in this section.

(B) General Limitations

(1) Laws and penalties concerning the public use of marijuana products shall be substantially similar to those for alcohol and tobacco products.

(c) prohibit an employer from establishing and enforcing a drug testing policy, drug-free workplace policy, or zero-tolerance drug policy;

(d) interfere with any federal restrictions on employment, including the regulations adopted by the United States department of transportation in Title 49 of the Code of Federal Regulations, as amended;

(e) permit a person to commence a cause of action against an employer for refusing to hire, discharge, discipline, discriminate, retaliate, or otherwise take an adverse employment action against a person with respect to hire, tenure, terms, conditions, or privileges of employment related to marijuana; or

(f) affect the authority of the administrator of workers' compensation to grant rebates or discounts on premium rates to employers that participate in a drug-free workplace program established in accordance with rules adopted by the administrator under Chapter 4123. of the Revised Code; and a person who is discharged from employment because of that person's use of marijuana shall be considered to have been discharged for just cause for purposes of division (D) of section 4141.29 of the Revised Code if the person's use of marijuana was in violation of an employer's drug-free workplace policy or zero-tolerance policy.
