Investigative Activity: Audio Interview of Katy Wheeler  
Activity Date: 03-21-2023  
Activity Location: 8924 Lake Overlook Drive, Mentor, Ohio 44060  
Authoring Agent: Special Agent Joseph Goudy #83

**Narrative:**

On Tuesday, March 21, 2023, at 1527 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Joseph Goudy (Goudy), along with SA Nick Valente (Valente) spoke with Katy Wheeler (Wheeler) at her residence (8924 Overlook Drive, Mentor, Ohio). Wheeler was the girlfriend of Fred Wild (Wild). At the time of the interview, Wheeler was not aware that Wild was deceased. Wheeler last communicated via text message with Wild the previous day, Monday (3-20-23) at approximately 1310 hours. At this point in the interview, Wheeler was advised that Wild was deceased.

After informing Wheeler of Wild's death, Wheeler stated she received a text from Wild earlier in the morning stating it was, "all her fault" and that she didn't know what that meant at the time. Wheeler went on to ask about the care of Wild's dog. Wheeler stated Wild wanted her to care for his dog should anything ever happen to him. Wheeler was advised that the dog is fine and we will try and help her follow-up with locating the dog. Wheeler stated she thought she was going to be told that, "*he was in jail, I never, or that he ran from the police again.*" (07:15 mark).

When asked when Wheeler last spoke with Wild, she stated it was by text on Monday (3-20-23). The text conversation thread started at 10:00 AM. Wheeler allowed SA Valente to review the text conversation between her and Wild. The conversation started off as lighthearted humor between her and Wild. During the text thread, Wheeler stated Wild told her he organized his office and had a beer in his office drawer. Wheeler went on to say that, "*he knew I don't drink and I always disapproved of his drinking and I always made a face whenever he talked about drinking.*" (08:49 mark). The last text received from Wild was at 1:10 PM, pertaining to her asking when he was going to finish remodeling her bathroom. Wild replied, "*I'm trying to work and make money. It's hard though my saw horses keep fucking all day, I got pictures.*" (10:00 mark). Wheeler stated Wild sent her pictures of the saw horses stacked in a sexual position.

After getting Wheeler's consent to SA Valente's review of the text thread, she was also advised that photographs will be taken of it to show Wild's mindset. Wheeler stated, "*his mindset at the time, he was very mentally ill.*" (11:09 mark). SA Goudy then asked Wheeler why she would say that. Wheeler replied, "*um, he was delusional, um, he was manic.*" (11:14 mark). Wheeler continued on, "*he was hearing voices, um, he only confided in me, uh, those things, he never told a professional, um, I didn't, he was, like, you could tell by the thread he was silly*"

*about it. I didn't think he was a threat to himself or others or I would have, I even talked to my therapist about it. She didn't recommend that I have, like, a psychiatric hold put on him or anything."* (11:27 mark).

Wheeler continued on by saying, *"um, but he was infatuated with Alanis Morrissette and he was convinced that they were going to be together one day even though we were dating. Just convinced, and he could hear her singing and talking to him, I mean that's just not normal that's delusional."* (12:32 mark). When asked how long that was going on, Wheeler replied, *"Uh he said his whole life, he's convinced he went on a date with her when he was 18."* (13:02 mark). When Wheeler was asked when she first noticed Wild's behavior, *"Um, this was last fall, is when he became manic and then, um, it, like, progressively got worse."* (13:13 mark).

When asked if Wild was on any medications for his mental behavior or if he was seeing a doctor, Wheeler replied, *"no, he wasn't"* (13:30 mark). Wheeler stated the only time Wild saw a doctor was when he was ordered to do, "IOP" (Intensive outpatient program) for his last driving under the influence conviction by, "drug court." (13:38 mark). Wheeler stated she does not have any knowledge of the last time he was on medication. Wheeler further stated they have been dating since June of 2021 and he has not been on medication since they started dating. Wheeler stated Wild is, *"definitely a horse of a different color, but he didn't start acting strange until, like, November-ish of 22."* (14:23 mark). After confirming with Wheeler that she noticed the mental health issues back in November of 2022, Wheeler added, *"manic behaviors."* (14:43 mark).

Wheeler was asked if she had ever heard Wild say anything negative about law enforcement or make any threats towards them. Wheeler stated she did not hear Wild say anything negative about law enforcement. Wheeler further stated Wild has been arrested many times, "for his own stupidity," but never made mention about harming any law enforcement.

SA Goudy asked Wheeler about the previous week with Wild. Wheeler stated on Thursday (03-16-23), Wild called for Wheeler to pick him up where he works at Behrut Landscaping in Lordstown. Wheeler replied, *"um, Fred was staying there because he lost the key to his truck."* (17:07 mark). When SA Goudy asked Wheeler to elaborate more, she replied, *"yea, like, yea, there's like a back apartment or something."* (17:15 mark). Wheeler continued, *"so, um, Fred asked me to come down, he was lonely and depressed, that was like his mood."* (17:25 mark). After Wheeler picked up Wild, she stated, *"he had been drinking, he's been drinking a lot, I should add that he's been drinking a lot lately."* (17:50 mark).

After picking up Wild, they went to a hotel to stay because Wheeler was not able to shower at her residence and she wanted to shower at the hotel. The next day was St. Patrick's Day and Wheeler stated they ran some errands and went out to eat. They also went to Roger's, an animal

auction in Columbiana County. During this time, Wheeler stated Wild thought he had broken his hand. Wheeler stated she brought him to the emergency room (ER) to get it checked. Wild did not want to wait at the ER so they left. Wheeler stated Wild wasn't feeling well, "*because he hadn't been taking his, um, insulin or checking his blood sugar.*" (19:32 mark).

When asked if Wild was drinking that day (St. Patrick's Day), Wheeler replied, "*yea, yea, yea, we stopped at the gas station and he bought a six pack of beer.*" (19:44 mark). Wheeler continued, "*um, but he didn't have his medication with him so he hadn't taken his medication all week.*" (19:53 mark). When SA Goudy asked Wheeler if Wild was diabetic, she replied, "*Yea, he's diabetic.*" (20:02 mark). Also, during the same day, they got a new key for his truck, which was located at Wild's work, Behrut Landscaping. After returning Wild back to Behrut, Wheeler stated she dropped him off and that was the last time she had seen him in person. When asked about Wild's truck, Wheeler stated it was a Dodge Ram.

When asked if she knew where Wild went after she dropped him off, she stated she didn't know. When asked what Wild's cell phone number was, Wheeler stated 330-265-9309 and the carrier was Cricket mobile. Wheeler also stated she did not know what the password was, but made a guess that it could be his son's birthdate.

Wheeler was asked about Wild's truck. She stated back in February, Wild was charged with an OVI and other charges. He was arrested again for felony vandalism shortly thereafter. After the arrest, Wheeler stated she got his truck out of impound. Wheeler further stated when she got the truck it had a lock on the steering wheel because it was up for forfeiture. Wheeler stated Wild was able to cut the lock off the steering wheel and continued to drive despite not having a valid license. The truck was supposed to stay in Wheeler's driveway, but Wild drove off with it.

Wheeler stated sometime last week, Wild was involved in a trespassing complaint in Liberty Township. When the police arrived, Wheeler stated Wild fled from the police and got away from them. Wheeler stated Wild went to a friend's house to hide. (25:09 mark). When asked about his friend's house, Wheeler stated his friend's name is "Brian." (25:35 mark). When asked if there was a hunting cabin on Brian's property, Wheeler stated that there was. Wheeler stated during that time, she did communicate with him and she believes it was through texting.

When SA Valente asked Wheeler if Wild had made any plans after fleeing from the police, Wheeler stated, "*I don't remember what we said about that, he ended up paint, trying to paint his truck, he had orange spray paint.*" (27:13 mark). Wheeler stated the truck was originally black. Wheeler was asked if he was trying to disguise the truck, she replied, "*yea, to disguise it.*" (27:34 mark). When asked where Wild would normally stay, Wheeler replied he would stay in a camper down the street from his work. That property is owned by the landscaping company's

owner, Ian. Wheeler further stated Wild would stay with her on the weekends or if it was really cold.

When SA Goudy asked Wheeler if she could recall picking Wild up because he ran out of gas, she stated he tried to get his son Mason to do that. When Wheeler was asked if she knew why he ran out of gas, she stated he texted her on Saturday (03-18-23), saying, *"so I got the high-speed cop chase I wanted. I got away fast they fucked up trying to pin me in. I was gone. But now what truck only goes 115. kinda disappointed. Government shuts it down. another 100 mph I'd be good. 215 mph at least I'd be faster than nascar. oops they could track my phone. I better not dial 911."*(30:43 mark). Wheeler stated after he fled from the police, he stayed overnight in the woods.

During the time he was staying in the woods, Wheeler stated she spoke with him over the telephone and he explained it in more detail. Wheeler stated Wild told her that he was training his dog how to "dock dive." Wheeler further stated he apparently wasn't allowed to be on that property which resulted in the property owner calling the police. This resulted in his fleeing from the police and hiding at his friend Brian's cabin. When asked if Wheeler knew anything about Brian, she stated Brian and Wild were friends a long time ago and that he must feel comfortable enough with Brian to hide in his cabin.

Wheeler was asked if Wild had any guns. Wheeler replied that he wasn't allowed to own a gun due to being a felon. Wheeler further stated Wild had black powder muzzle loader weapons only. Wheeler was asked if Wild was suicidal, Wheeler stated, "no" he was depressed. When asked if there was anything Agents should know that wasn't asked, Wheeler replied, *"Um, he's been paranoid. He thinks, er, he...he thought that his life was like that movie the Truman show...He literally thought someone was filming his life and that it was like scripted somehow and he thought other people controlled his life. He thought he was alien or something. He really believed all of this too. Um, you know, definitely paranoid and delusional these past several months. But like I said, I didn't think it was to the point that he would harm anybody or himself or get shot. it was harmless stuff like the texts I showed you with the saw horse, it was nothing violent."* (38:54 mark).

Good morning Katy. I just had a great idea. To pull dance and just my chainsaw chaps?

I would enjoy that. But would others!? 🤔 😄

These are the peach face lovebird morphs that the breeder has. She has 10-12 week old babies. I kind of want the species that I sent you a pic of the other day. Those are Fischer's lovebirds.

I'm like the perfect office bitch. I know how to stalk the drawers.

Yes, I have you the look.

Oh. And probably plan on only having one bird. If he has to be in a cage with her all day he will probably peck her to death. 🦴

Just fyi. This is in the last month. This is why I'm depending on you to finish my bathroom. That's a lot of money. Especially on top of my other bills. I can't afford another contractor to come in and finish. Right before you took off, you even said it would cost me a fortune to hire someone to finish. I need to have a bathroom and soon. Right before you took off, you even said it would cost me a fortune to hire someone to finish. I need to have a bathroom and soon. Having to take sponge baths for the last month is damaging my skin in areas. You saw that the other night. When you asked if I wanted my bathroom redone, you said it would "be down" for a week. It's been over a month. And there's no end in sight and I'm on the verge of a nervous breakdown over it. My house is absolutely destroyed right now. It looks like a demilitarized zone. I had it so nice and now I can't even sit on the couch with my cats. I just want a shower. The shower I got at the hotel was nice (besides the water pressure issue), but it was like a cock tease, you know? 😭

And yes, I realize, I'll owe you by the time the job is over and that's fine.

I'm sorry. Now that I think about it you did have things nice before I showed up. I'm the worst boyfriend ever 🧡 🐳

I told you I'd pay you while you're working on it. I'm not expecting you to work w/o \$ to live. I think maybe I did that before and that was a problem. I justified it b/c you had my debit card to use. This time, I'll Zelle \$ to you.

No, you're not. Your heart was in the right place. But you lack follow through. And this time it really ended up hurting the kids and I. Instead of paying me back with \$, I'm happy to have you redo my bathroom. But it needs to be finished.

I'm trying to work and make money. It's hard though. My saw horses keep fucking all day.

Yes, I told you I'd pay you while you were working.
