

Board of Trustees of Ohio State University, Columbus, Ohio, and The C. & G. Construction Company of Columbus, Ohio. This contract covers the construction and completion of road to agricultural buildings on the Ohio State University grounds, and calls for an expenditure of \$21,000.00.

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. There has further been submitted a contract bond upon which the Globe Indemnity Company appears as surety sufficient to cover the amount of the contract.

You have further submitted evidence indicating that the laws relating to the status of surety companies and workmen's compensation have been complied with. However, there is no showing that plans, details, specifications, bills of material and estimates of cost have been prepared, approved by the Director of Highways and Public Works and filed with the Auditor of State.

Finding said contract and bond in proper legal form except as above indicated, I have made an investigation in the office of the Auditor of State and find that the plans, details, specifications, bills of material and estimates of cost bearing the approval of the Director of Highways and Public Works have been filed with the Auditor of State. I am accordingly returning the contract herewith to you with my approval noted thereon, together with all other data submitted in this connection.

Respectfully,

EDWARD C. TURNER,
Attorney General.
