Narrative:

On Wednesday, March 19, 2025, Ohio Bureau of Criminal Investigation Special Agent Steven Seitzman received Hamilton County Sheriff's Office Corporal Shane Wiseman's body-worn camera footage from Hamilton County Sheriff's Office Sergeant John Haynes. SA Seitzman had learned that Corporal Wiseman's body-worn camera was likely the only device to capture footage of the incident.

The video footage was reviewed via Amped Replay. The video file was titled *Axon_Body_3_Video_2025-03-19_0246_X60A90114.mp4*. It has a playback speed of 30 frames per second. Its length is 266,750 frames. Its duration is 02:28:11.633.

SA Seitzman documented the portions of the video he believed to be the most relevant in obtaining the facts necessary to understand the events surrounding the officer-involved critical incident. It is recommended that the video be reviewed in its entirety.

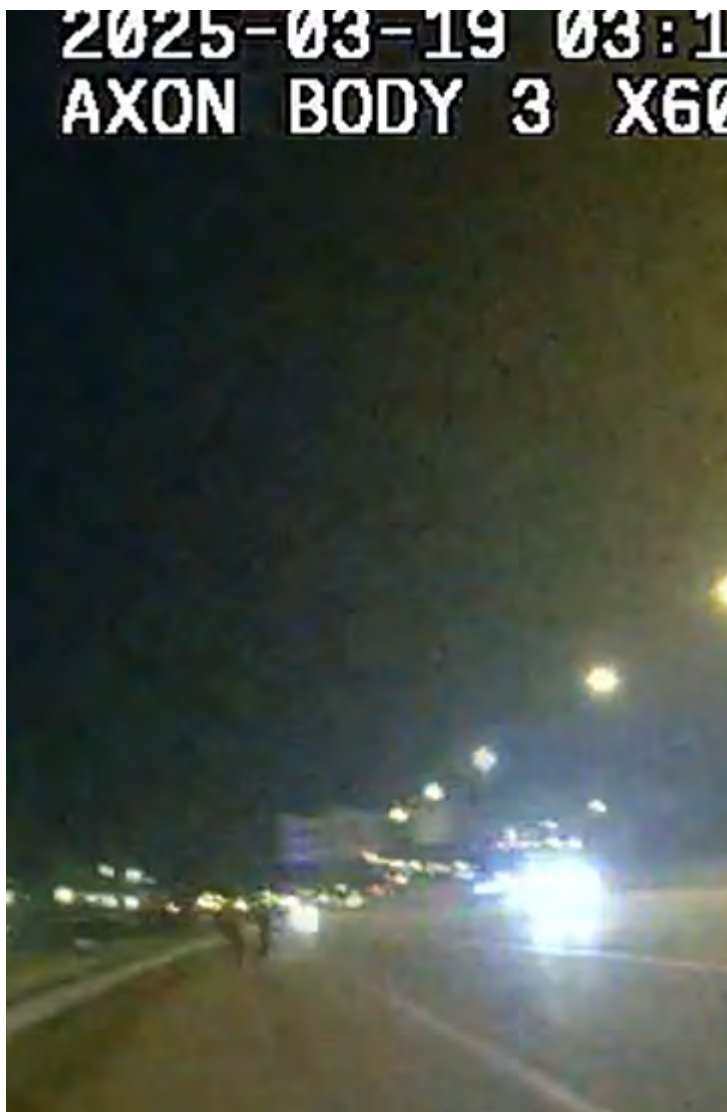

The video began with Cpl. Wiseman arriving on the scene and deploying his canine. The radio traffic that can be heard pertained to efforts to apprehend the initial subject. Cpl. Wiseman and other officers eventually located the initial suspect in the tree line between Interstate Route 75 and Glendale Milford Road. After the suspect was taken into custody, Cpl. Wiseman continued to search the surrounding area with his canine.

At 03:09:12 hours, according to the timestamp in the video (approximately frame 41265), radio traffic can be heard indicating that an officer (later identified as Lockland Police [REDACTED]) located someone walking on the highway near the 14-mile marker. Cpl. Wiseman began to head in [REDACTED] direction. At approximately 03:10:21 hours, according to the timestamp (approximately frame 43330), as Cpl. Wiseman was responding, [REDACTED] broadcast that the subject had something in his hands, was not following with

orders, and was walking straight at him. [REDACTED] then said, "He's not listening to my orders. He's at gunpoint now." At approximately 03:10:58 hours (approximately frame 44464), [REDACTED] broadcast, "I need units to step it up ASAP, please."

As Cpl. Wiseman approached the scene, two subjects can be seen in his video at approximately frame 44970. They appear to be in close proximity to each other; however, it should be noted that Cpl. Wiseman was running, which created significant motion and blurring. Refer to the image below.

Cpl. Wiseman began yelling the command, "Stop or you're going to get bit," at approximately 03:11:17 hours, according to the timestamp (approximately frame 45016). At frame 45029, it appeared that [REDACTED] distanced himself from the involved subject. Refer to the image
