

such order, except in accordance with the provisions of Section 6298-14, General Code."

I believe that the conclusion reached in the foregoing opinion, in which I concur, is dispositive of the question which you have presented.

It is, therefore, my opinion, in specific answer to your question, that a valid order of revocation made by the Registrar of Motor Vehicles may only be vacated, modified or reversed in the manner provided for in Sections 6298-14, 6298-17, 6298-18 and 6298-19 of the General Code.

Respectfully,

HERBERT S. DUFFY,
Attorney General.

APPROVAL—RESERVOIR LAND LEASES, STATE OF OHIO,
THROUGH CONSERVATION COMMISSIONER, SEVERAL
LESSEES, LOCATIONS, DESIGNATED, BUCKEYE LAKE,
OHIO.

COLUMBUS, OHIO, January 5, 1939.

HON. L. WOODSELL, *Conservation Commissioner, Columbus, Ohio.*

DEAR SIR: You have submitted for my examination and approval, a number of reservoir land leases executed by the State of Ohio, through you as Conservation Commissioner to the several lessees therein named, by which there were leased and demised to the respective lessees therein named a number of parcels of reservoir lands owned by the State at Buckeye Lake, Ohio.

These leases, designated as to the names of the several lessees, the locations of the parcels of land leased, and the annual rental provided for therein, are as follows:

Loe Tinsdale—Permission to occupy and use for cottage site and general business purposes, that portion of the northerly embankment of Buckeye Lake in the Southwest Quarter of Section 13, Town 17, Range 18, Licking County, Ohio, that is included in the outer slope and borrow pits adjacent thereto in the west-half of the east-half of Lot No. 55 of embankment lots east of Sayre's boathouse at Buckeye Lake, as laid out by the Ohio Canal Commission in 1905, and being the west-half of what is now designated as Lot No. 55 "A" on the official plats on file in the Division of Conservation at Columbus, Ohio, and being the west-half of

the east-half of the lot originally leased by the State of Ohio to Henderson Jones by Lease dated May 9, 1905; said half lot has a frontage of fifty (50') feet measured along the top of the outer slope of the reservoir embankment.—Annual Rental \$50.00.

Harry L. Samuels—Permission to occupy and use for lawn purposes only, the outer slope and borrow pits in the rear thereof, of that portion of the northerly embankment of Buckeye Lake in the west-half of the Southwest Quarter of Section 13, Town 17, Range 18, Licking County, Ohio, that is included in the westerly thirty (30') feet of the east-half of Lot No. 57, east of Sayre's boathouse, as laid out by the Ohio Canal Commission in 1905; the frontage herein leased, being thirty (30') feet, as measured along the top of the outer slope of the embankment—Annual Rental \$10.00.

Upon examination of the leases hereinabove referred to, both of which are for a stated term of fifteen years, I find that both of the same have been properly executed by you as Conservation Commissioner and by the respective lessees therein named.

I further find, upon examination of the provisions of these leases and of the conditions and restrictions therein contained, that the same are in conformity with Section 471, General Code, under the authority of which these leases are executed, and with other statutory enactments relating to leases of this kind.

I am accordingly approving these leases, as to legality and form, as is evidenced by my approval endorsed upon the leases and upon the duplicate and triplicate copies thereof, all of which are herewith enclosed.

Respectfully,

HERBERT S. DUFFY,
Attorney General.
