

officer shall be liable for the payment of rent under the lease if such appropriation is not made.

This lease has been properly executed and inasmuch as the lease is otherwise in conformity to law the same is approved as to execution and form.

Accompanying the lease as the same is submitted to me is contract encumbrance record No. 10 which has been properly executed in the manner provided by Section 2288-2, General Code, and which shows that there are available moneys, otherwise unencumbered, sufficient in amount to pay the current rental under this lease for the months of January and February, 1937. I am inclined to the view that this contract encumbrance record is in sufficient compliance with Section 2288-2, General Code; and on the considerations above noted I hereby approve the lease and return the same to you.

Respectfully.

HERBERT S. DUFFY,
Attorney General.
